Microsoft Outlook 2013: Complete Cengage Learning

Microsoft Access 2013:

Introductory Cengage Learning

New Perspectives Computer Concepts 2016

Enhanced, Comprehensive Cengage Learning

Designed for beginning teachers, CLASSROOM TEACHING SKILLS, Tenth Edition,

conceptualizes the effective teacher as a reflective decision maker, responsible for planning, implementing, evaluating, and making

management decisions in the classroom. Each chapter considers a particular teaching skill, first discussing the theory behind it, and then presenting the reader with practice situations in which knowledge about the skill can be applied and evaluated. The Tenth Edition continues to address the importance of core InTASC standards (matched with learning objectives for each chapter), while incorporating more extensive coverage on technology, Common Core State Standards, and working with English Language Learners. In addition, new Voices from the Classroom and Case Study features help readers better understand the issues they may encounter as teachers.
