The Google Resume John Wiley & Sons

Written by an experienced engineer, Practical Career Advice for Engineers: Personal Letters from an Experienced Engineer to Students and New Engineers is a series of personal conversation-style letters that offers practical career advice to all engineers. It guides them through their entire career from early education, to professional certification, on into the workplace, and eventually to retirement. Important topics such as how to acquire leadership skills, improve communication skills, and develop the business side of engineering, as well as how to find a good engineering job, are also addressed. The book guides engineers on how to make good career decisions, using precise and systematic processes. It offers inspiration and insight to student engineers and working engineers on how to have successful and satisfying educations and careers. It can also help experienced engineers to more effectively guide and mentor new engineers. It explores the important topics of creativity, ethics, intellectual property, and scientific principles in engineering and at the same time weaves real-world stories, concepts, diagrams, and tips throughout the book in the form of personal letters perfect for quick and easy comprehension. The book targets

all engineers working in all disciplines, all industry sectors, and all locations. Engineering students can also learn more about a career in engineering and what they need to do to prepare for it by reading this book. Radovan Zdero, PhD, CEng, MIMechE, has decades of experience as an engineer and a mentor to engineers. His engineering background includes a master's degree in aerodynamics (McMaster University, Canada) and a doctoral degree in biomechanics (Queen's University, Canada). He is a Chartered Engineer, a Member of the Institution of Mechanical Engineers, and a Professor in the Division of Orthopaedic Surgery and the Department of Mechanical and Materials Engineering (Western University, Canada). He has published many scholarly research articles in peer-reviewed engineering, science, and medical journals. He is also the editor of the engineering textbook *Experimental Methods in Orthopaedic Biomechanics*. Contact the author: dr.zdero@hotmail.com

The New Rules of Work Atlantic Publishing Company

From the creator of the popular website *Ask a Manager* and *New York's* work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice!

There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work." —Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience." —Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor." —Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*

"*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way." —Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Real-resumes for Construction Jobs *Resumes for Engineering Careers*

Your cover letter is what decides if a company looks at your resume, contacts you for an interview, or gets you placed in the rejection pile. Knowing that, it is important to create a well-written, eye-catching letter that sells your achievements and job skills to impress the recruiter. However, many people are unable to effectively translate their thoughts into words when faced with the task. That is where *The Complete Guide to Writing Effective Resume Cover Letters* comes in. With this book you will be able to craft a letter that will undoubtedly land you the interview. In this new book, you will learn how to address your letter, how to grab the reader's attention immediately, how to format your letter, how to choose the font, how to be professional but persuasive, how to choose the type of paper, and how to target your letter. You will also learn about writing the different kinds of letters, including those in response to a classified advertisement, those in response to a blind advertisement, those sent to employment agencies, cold letters, and broadcast letters; writing style guidelines; what to include in your letter; writing for an online audience; cover letter styles; and common mistakes recruiters abhor. Additionally, you will find examples of effective and ineffective letters, proven tips for making your letter stand out, sample phrases to use, and letters for new graduates, for professionals, and for those changing careers. Also included are samples specific to job industries,

including administration and clerical; accounting; banking and finance, government; health care and social services; hospitality and food service; human resources; law enforcement and legal; manufacturing; sales, marketing, and customer service; skilled trades; technology; and science and engineering. The companion CD-ROM is packed with samples and worksheets to help you brainstorm and create a successful cover letter. By following the step-by-step instructions outlined in *The Complete Guide to Writing Effective Resume Cover Letters* you will ensure that your letter will impress the recruiter and that you will be contacted for an interview. In the end you will create a tool that will be of enormous importance to you in your job search. The companion CD-ROM is included with the print version of this book; however is not available for download with the electronic version. It may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books.
