One of the 20th Century's most beloved novels is still winning hearts! *I Capture the Castle* tells the story of seventeen-year-old Cassandra and her family, who live in not-so-genteel poverty in a ramshackle old English castle. Here she strives, over six turbulent months, to hone her writing skills. She fills three notebooks with sharply funny yet poignant entries. Her journals candidly chronicle the great changes that take place within the castle's walls, and her own first descent into love. By the time she pens her final entry, she has "captured the castle"-- and the heart of the reader-- in one of literature's most enchanting entertainments. "This book has one of the most charismatic narrators I've ever met." -- J.K. Rowling, author of the Harry Potter series

Jack Worthing gets antsy living at his country estate. As an excuse, he spins tales of his rowdy brother Earnest living in London. When Jack rushes to the city to confront his "brother," he's free to become Earnest and live a different lifestyle. In London, his best friend, Algernon, begins to suspect Earnest is leading a double life. Earnest confesses that his real name is Jack and admits the ruse has become tricky as two women have become enchanted with the idea of marrying Earnest. On a whim, Algernon also pretends to be Earnest and encounters the two women as they meet at the estate. With two Earnests who aren't really earnest and two women in love with

little more than a name, this play is a classic comedy of errors. This is an unabridged version of Oscar Wilde's English play, first published in 1899.

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field." —USA Today **ONE OF THE BEST BOOKS OF THE YEAR**—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek.

"Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [*Red Rising*] has everything it needs to become meteoric." —Entertainment Weekly "Ender, Katniss, and now Darrow." —Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience." —Richmond Times-Dispatch Don't miss any of Pierce Brown's *Red Rising* Saga: **RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER**

Instant Wall Street Journal Bestseller! Congratulations, you're a manager!

After you pop the champagne, accept the shiny new title, and step into this thrilling next chapter of your career, the truth descends like a fog: you don't really know what you're doing. That's exactly how Julie Zhuo felt when she became a rookie manager at the age of 25. She stared at a long list of logistics--from hiring to firing, from meeting to messaging, from planning to pitching--and faced a thousand questions and uncertainties. How was she supposed to spin teamwork into value? How could she be a good steward of her reports' careers? What was the secret to leading with confidence in new and unexpected situations? Now, having managed dozens of teams spanning tens to hundreds of people, Julie knows the most important lesson of all: great managers are made, not born. If you care enough to be reading this, then you care enough to be a great manager. *The Making of a Manager* is a modern field guide packed everyday examples and transformative insights,

including: * How to tell a great manager from an average manager (illustrations included) * When you should look past an awkward interview and hire someone anyway * How to build trust with your reports through not being a boss * Where to look when you lose faith and lack the answers Whether you're new to the job, a veteran leader, or looking to be promoted, this is the handbook you need to be the kind of manager you wish you had.

Handbook of EHealth Evaluation Macmillan Higher Education

The text is presented in chunks of approximately 10 True/False questions on specific concepts in research methodology and statistics. This is followed by clear explanations, from first principles, that assume no prior knowledge. This book is for the paper critique section of the MRCPsych 2 examination but clinical tutors, organisers of journal clubs and clinicians interested in research will find the book helpful. It is particularly invaluable for clinicians interested in evidence based medicine. This book is intended to be used as an aide memoir, carried in the pocket and referred to as often as necessary. It enables self-assessment to be carried out in the hope that any gaps in knowledge will be identified. Much of this book focuses on practical application of statistical and research methodology concepts into critical paper reading. The reader is encouraged to attempt the questions before the reading the suggested answers.

The Making of a Manager SAGE Publications

SPECIAL EDITION — Meet the Dreamland billionaires! Declan I'm destined to become the next CEO of my family's media empire. The only problem? My grandfather's inheritance clause. Fulfilling his dying wish of getting married and having an heir seemed impossible until my assistant volunteered for the job. Our marriage was supposed to be the perfect solution to my biggest problem. But the more we act in love for the public, the more unsure I feel about our contract. Caring about Iris was never part of the deal. Especially not when breaking her heart is inevitable. Iris My plan to marry Declan was simple in theory. Move in together. Throw a wedding. Have a baby. We set rules to prevent any kind of issues. Ones that were never meant to be broken, no matter how much Declan tempts me. But what happens when our fake relationship bleeds into our real one? Falling in love was never an option. At least not for me. Terms and conditions is the second book in a series of interconnected standalones following three billionaire brothers. The first is called *The Fine Print*.

Critiquing Nursing Research 2nd Edition SAGE

An interactive, multimedia text that introduces students to reading and writing at the college level.

Reading At University Yosemite Conservancy

Nicotine is almost universally believed to be the major factor that motivates smoking and impedes cessation. Authorities such as the Surgeon General of the USA and the Royal College of Physicians in the UK have declared that nicotine is as addictive as heroin and cocaine. This book is a critique of the nicotine addiction hypothesis, based on a critical review of the research literature that purports to prove that nicotine is as addictive drug. The review is based on a re-examination of more than 700 articles and books on this subject, including animal and human experimental studies, effects of 'nicotine replacement therapies', and many other relevant sources. This review concludes that on present evidence, there is every reason to reject the generally accepted theory that nicotine has a major role in cigarette smoking. A critical examination of the criteria for drug addiction demonstrates that none of these criteria is met by nicotine, and that it is much more likely that nicotine in fact limits rather than facilitates smoking.
