Maritime Labour Convention

The Maritime Labour Convention (MLC) is an International Labour Organization convention, number 186, established in 2006 as the fourth pillar of international maritime law and embodies "all up-to-date standards of existing international maritime labour Conventions and Recommendations, as well as the fundamental principles to be found in other international labour Conventions".

Maritime Labour Convention, 2006 (b) declaration of maritime labour compliance means the declaration referred to in Regulation 5.1.3; (c) gross tonnage means the gross tonnage calculated in accordance with the tonnage measurement regulations contained in Annex I to the International Convention
