National Science Olympiad - Class 8 (With CD) VK Global Publications
The book 'National Science Olympiad' has been divided into five sections

namely Science, Logical Reasoning, Achievers section, Subjective section, Model Papers. In every chapter, the theory has been explained through solved examples, illustrations and diagrams wherever required. Multiple Choice Questions (MCQs) with detailed solutions are provided in the end of each chapter to enhance the problem solving skills of candidates. The questions in the Achievers section are set to evaluate scientific skills of brilliant students whereas the Subjective section includes questions of descriptive nature. Two Model Papers have been included to do practice on the expected questions. A CD containing Study Chart for systematic preparation, Tips & Tricks to crack Science Olympiad, Pattern of exam, and links of Previous Years Papers is accompanied with this book. The book is also useful for various competitive exams such as NTSE, NSTSE, and SLSTSE as well. #v&spublishers

Olympiad Sample Paper 6 V&s Publishers

This book makes a strong case that well-chosen stories give children good role models and increase their empathy for others. It doesn't just hand children simplistic moral precepts, but give them the opportunity to think about and discuss moral choices. This book is a collection of 200 one-page short stories for children. Language used is elementary and simple. Each story comes with a caricature type illustration in black & white to retain interest of young readers. The moral at the end of the story summaries precisely what the child is supposed to learn! These stories educate children moralities about a family values, social mores or share cultural insight or a combination of all these. Thoughtful stories not only provide enjoyment, they also shape and influence lives of children. The book has following sections: * Legendary Tales for Children * Jungle Tales for Children * Folk Tales for Children * Interesting Tales for Children Its a unique one of its kind story collection for children.

National Science Olympiad - Class 6 (With OMR Sheets) V&s Publishers

The popular classic by R. L. Stevenson has been adapted by the editorial board of V&S Publishers to enrich children with adventurous sea voyages. It happens to be one of the timeless masterpieces of yesteryear writers. The story begins when Jim, a young boy and protagonist of the story, decides to embark on a sailing ship - the Hispaniola - to trace the treasure supposedly buried in a mysterious island. Along the way, he faces shipwreck, a pirate mutiny, and sword fights. Jim's tale is a rags-to-riches story of a young boy who overcomes the odds Treasure Island has been called a "novel of greed," and certainly greed is a minor theme of the book. The chief theme is Jim's quest to bring home something of great value and to gain his own moral adulthood, a treasure in itself. The tone of the book is essentially suspenseful and tense because of the descriptive details about what's going on. Over the past few years there have been many great classical literatures that have been adapted by V&S Publishers to bring the young readers to these jewels that are ideal for them and their inquisitive minds. The book comes with illustrations in the purest V&S Publishers' style!
