[Research Paper Example - Outline and Free Samples](#)

The first question is not original or relevant — it has been answered so many times that it would be very difficult to contribute anything new. The second question takes a specific angle with scope to make an original argument, and has more relevance to current social concerns and debates.

Thesis statement examples for research paper are helpful. When a reader sees such examples, they analyze the text, information, and opinion expressed in a thesis. A claim you make should not be simple. Focus on what you want to argue and give reasons, keeping in mind that your position should be proven later in the project.
