Sample Toddler Observation Paper

This essay seeks to critically evaluate my role as a child observer. Drawing on two or more theories of child development, I will look at the main theoretical concept and critically evaluate in relation to my observation. First, I begin a brief description of the child I observed and the setting in which the observation took place.

Sample Observation Paper for Child Development - Owlcation ...

Observation is the process of watching a child at work or play without interfering in the activity. Recording is the process of documenting the observed activity or behavior. Although many teachers do this naturally, a systematic approach helps ensure that children are observed participating in many different activities over time. Teachers' observations must be sensitive and detailed. Young ...
