## Sample Website Style Guide

Style guide resources ¶ . Style guides have been around for as long as people have been publishing in any format. Older style guides originally intended for specific forms of print publication have become basic standards for many others to refer to, including documentarians:

Style guides (or brand bibles) contain all the necessary information to create whatever

your company needs. Whether it be a website, advertisement, internal memo, or whatever else, this little document will make your life a breeze.
