Small enough to fit in your pocket, this practical little book will help you change the world as you shop! While we strive to make our vote count every four years, few of us realize that our most immediate power to shape the world is squandered on a daily basis. Every dollar we spend has the potential to create social and environmental change. In fact, it already has. The world that exists today is in large part a result of our purchasing decisions. The *Better World Shopping Guide* rates hundreds of products and services from A to F, so you can quickly tell the "good guys" from the "bad guys" and ensure your money is not supporting corporations that make decisions based solely on the bottom line. Drawing on decades of meticulous research, this completely revised and updated sixth edition will help you find out who actually "walks the talk" when it comes to: Environmental sustainability Human rights Community involvement Animal protection Social justice Small enough to fit in a back pocket or handbag and organized in a user-friendly format, *The Better World Shopping Guide* helps you reward companies who are doing good, penalize those involved in destructive activities, and change the world as you shop! Ellis Jones, PhD is the award-winning, bestselling author of five previous editions of *The Better World Shopping Guide*, and co-author of *The Better World Handbook*. A scholar of social responsibility, global citizenship, and everyday activism, he has dedicated himself to uncovering practical ways for people to make a difference in the world. He currently teaches at Holy Cross College in Worcester, MA.

The Samsung Galaxy Note 3 is neither phone nor tablet, but rather a hybrid of the two. The Galaxy Note 3 is packed full of new features and tools. In addition, the redesigned S Pen opens up countless possibilities for creating documents, editing photos, and multitasking. This guide will introduce you to these new features and show you how to use them quickly and efficiently. This book gives task-based instructions without using any technical jargon. Learning which buttons perform which functions is useless unless you know how it will help you in your everyday use of the Note 3. Therefore, this guide will teach you how to perform the most common tasks. Instead of presenting arbitrary instructions in lengthy paragraphs, this book gives unambiguous, simple step-by-step procedures. Additionally, detailed screenshots help you to confirm that you are on the right track. This Survival Guide also goes above and beyond to explain secret Tips and Tricks to help you accomplish your day-to-day tasks much faster. If you get stuck, just refer to the Troubleshooting section to figure out and solve the problem. Here are just a few of the topics covered in the Galaxy Note 3 Survival Guide: - Organizing Home Screen Objects - Transferring Files to the Galaxy Note 3 Using a PC or Mac - Calling a Frequently Dialed Number - Switching to a Bluetooth Headset During a Voice Call - Multitasking Using the Pen Window - Taking Notes Using S Note - Assigning a Photo to a Contact - Adding a Contact to the Reject List - Saving Attachments from Text Messages - Sending a Text Message to an Entire Group - Clearing Personal Web Data - Creating an Animated Photo - Creating a Panoramic Photo - Sharing a Photo with the People Tagged in It - Ignoring New Messages in a New Email Conversation - Closing Applications Running in the Background - Maximizing Battery Life - Using MP3's as Ringtones - Blocking Calls, Notifications, Alarms, and the LED Indicator - Making the Phone Open Applications and Menus Faster - Turning the S Pen Pop-Up Window Off Principles of Management New Society Publishers

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.
