Wanted: Dating coach to help
hot nerd win back the woman
of his dreams... Picture this
- I'm ready to win back the
love of my life, and I'm
going big this time. We're
talking boom box, sing her
name in the rain, let the
whole damn neighborhood know
I'm good and ready this time
around. After all, if you're
going to grand gesture the
ever-loving hell out of a
second chance, you need to
pull out all the stops.
There's only one little
problem. My college
girlfriend isn't the one who
shows up when I play my "I'll
do anything to win you back"

tune. The woman who flings
open the second-floor window
tells me my ex doesn't live
here anymore. But she'll help
me win her back. Anything for
romance, anything for a guy so
willing to go big for love.
And that's what I want at
first. Until I get to know my
new "romance coach" and
discover she's funny, clever,
and keeps me on my toes. And
boy, do I ever need that. Now
I don't want to win anyone
else's heart. I want the woman
who's been helping me all
along. Trouble is - she thinks
I'm in love with someone else,
and when we take off on a road
trip, everything I think I
know about women is about to
be unzipped and turned inside
out. *Unzipped is a standalone
spinoff in the Lucky in Love
series of standalones*
