the Stalking Jack the Ripper series comes a new blockbuster series... Two sisters.One brutal murder. A quest for vengeance that will unleash Hell itself... And an intoxicating romance. Emilia and her twin sister Vittoria are streghe -- witches who live secretly among humans, avoiding notice and persecution. One night, Vittoria misses dinner service at the family's renowned Sicilian restaurant. Emilia soon finds the body of her beloved twin...desecrated beyond belief. Devastated, Emilia sets out to find her sister's killer and to seek vengeance at any cost-even if it means using dark magic that's been long forbidden. Then Emilia meets Wrath, one of the Wicked-princes of Hell she has been warned against in tales since she was a child. Wrath claims to be on Emilia's side, tasked by his master with solving the series of women's murders on the island. But when it comes to the Wicked, nothing is as it seems...

Art Morris, Photographer (www.birdsasart.com) Establishing a successful

color management workflow that produces predictable results is an important -- yet tricky -- undertaking. Most photographers are all too familiar with the frustration of a print not matching the image on the monitor. In Color Confidence, digital imaging expert Tim Grey provides the crucial information you need to get the color you want, every time. His results-oriented guide shows you how to manage color effectively across all devices. He demystifies complicated topics and takes you through each component of a color-managed workflow step-by-step. Designed for busy photographers, this full-color guide cuts through the theory, focusing on the practical information you need to make the best color decisions from capture to output.

Young Khana's heart holds one desire above and beyond all others: to attend school and become educated. But Khana lives in a dangerous war zone in the Middle East, where girls are not allowed to go to school. Khana's thirst for knowledge cannot be quenched. She courageously cuts her hair so she can look like a boy and attends school just like the neighborhood boys. But Khana's plan is interrupted when her father suddenly disappears. Now, instead of going to her classes, she is forced to spend her days filtering through the local landfill looking for trash treasures to sell at the market so her family can eat. Will Khana's father ever return? Will she ultimately get the chance to discover that girls from different cultures can study and live in peace?

Popular Photography World Health Organization Unique Bonus! Most Lightroom books are out-of-date within a couple of months, as Adobe regularly adds new features. Adobe Photoshop Lightroom - Edit Like a Pro is different - the eBooks are updated every time Adobe updates the software, so you can always have the latest information! See below for terms and details. The Lightroom ecosystem is Adobe's cloud-based photography service that gives you everything you need to create, edit, organize, store and share your photos across any device. While the interface initially looks simple, there's a lot of power under the hood with industry-standard editing tools and AI-based organization. But as a lot of this power is hidden, how can you get the best out of it, and how do you edit your photos like a professional? In Adobe Photoshop Lightroom - Edit Like a Pro, we walk you through a full Lightroom cloud-based workflow, using Lightroom desktop, Lightroom mobile and Lightroom web. You'll learn: How to import and organize your photos and take full advantage of the AI-based search tools in Lightroom. How to analyze a photo from a technical and an artistic

point of view, just like a professional, so you know exactly what you need to change to make your photos look stunning. How each of Lightroom's editing sliders and tools work behind the scenes, when you'd use each slider, and how they interact with each other, so you can pick the right tool for the job. WHY to do things, instead of just following recipes or downloading presets. How to easily share your photos with friends, family or clients using Lightroom's integrated web gallery. To make it easy to read, the book... Is written in simple concise english that's easy to understand, even if you're new to photography. Is filled with annotated screenshots and diagrams so it's quick to pick up information. Includes step-by-step image transformations based on real-world amateur photos captured in imperfect light. Saves you time searching the web for information that turns out to be written for the traditional Lightroom Classic instead of your version. Adobe Photoshop Lightroom - Edit Like a Pro shows you how to make the best use of the whole Lightroom cloud ecosystem, whether you're using the Windows, Mac, iOS, Android, Web or Apple TV apps.
