Eraser is always cleaning up everyone

else's mistakes.
Except for Ruler and Pencil Sharpener, none of the other school supplies seem to appreciate her. They all love how sharp Pencil is and how Tape and Glue help everyone stick together. Eraser wants to create so that she can shine like the others. She decides to give it a try, but it's not until the rubber meets the road that Eraser begins to understand a whole lot about herself. Inspired by a school essay their daughter Kate wrote in the third grade, the author and illustrator behind Theodor Seuss Geisel Award-winner *You Are (Not) Small* have created a desktop drama about figuring out who you are, finding happiness,

Don't let your past keep you from a full future. Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality only compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she

found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering the detours of life. Regardless of how lost you feel, you, too, can be found.

As the only daughter, Sylvia Miller of *The Tinderbox* has always held a special place in her Old Order family, one Adeline Pelham jeopardizes when she shows up at the Millers' Hickory Hollow farm. It isn't that Adeline means to be a threat, but her very existence is a reminder of the painful secret that has so recently upended the Miller household. And with Sylvia and her mother still struggling to come to terms

with that news, this is a challenging time to welcome an Englisher--especially this Englisher--into their midst. Despite the Millers' unexpected hospitality, Adeline is well aware that she's treading on Sylvia's turf, and she feels guilty about doing so when Sylvia is grappling with issues of her own. Not only is Sylvia trying to rebuild her trust in her father, but she's uncertain what to make of her once-promising engagement to Titus Kauffman, who hasn't pursued her since she confronted him. Adeline wishes she could help Sylvia, but she's not sure that either she or Sylvia is ready for that level of closeness in their relationship. Can God make something good come out of the mistakes of the past? Or does Adeline's arrival mark one too many surprises for the Millers and their Amish community?

When BIC, manufacturer of disposable ballpoint pens, wanted to grow, it looked for an idea beyond introducing new sizes and ink colors. Someone suggested lighters. **LIGHTERS?** With an idea that seemed crazy at first, that bright executive, instead of seeing BIC as a pen company—a business in the PEN “box” —figured out that there was growth to be found in the DISPOSABLE “box.” And he was right. Now there are disposable BIC lighters, razors, even phones. The company opened its door to a host of opportunities. **IT INVENTED A NEW BOX.** Your business can, too. And simply thinking “out of the box” is not the answer. True ingenuity needs structure, hard analysis, and bold brainstorming. It needs to start **THINKING IN NEW BOXES** —a revolutionary process for sustainable creativity from two strategic innovation experts from The Boston Consulting Group (BCG). To make sense of the world, we all rely on assumptions, on models—on what Luc de Brabandere and Alan Iny call “boxes.” If we are unaware of our boxes, they can blind us to risks and opportunities. This innovative

book challenges everything you thought you knew about business creativity by breaking creativity down into five steps:

- Doubt everything. Challenge your current perspectives.
- Probe the possible. Explore options around you.
- Diverge. Generate many new and exciting ideas, even if they seem absurd.
- Converge. Evaluate and select the ideas that will drive breakthrough results.
- Reevaluate. Relentlessly. No idea is a good idea forever. And did we mention Reevaluate? Relentlessly. Creativity is paramount if you are to thrive in a time of accelerating change. Replete with practical and potent creativity tools, and featuring fascinating case studies from BIC to Ford to Trader Joe’s, **Thinking in New Boxes** will help you and your company overcome missed opportunities and stay ahead of the curve. This book isn’t a simpleminded checklist. This is **Thinking in New Boxes**. And it will be fun. (We promise.) Praise for **Thinking in New Boxes** “Excellent . . . While focusing on business creativity, the principles in this book apply anywhere change is needed and will be of interest to anyone seeking to reinvent herself.” —Blogcritics

One of the best business books I’ve read in a long time.” —Jennifer Fox, CEO, Fairmont Hotels & Resorts

2020-2021 The Actor's Life Jenna Fischer's Hollywood journey began at the age of 22 when she moved to Los Angeles from her hometown of St. Louis. With a theater degree in hand, she was determined, she was confident, she was ready to

work hard. So, what could go wrong? Uh, basically everything. The path to being a professional actor was so much more vast and competitive than she'd imagined. It would be eight long years before she landed her iconic role on The Office, nearly a decade of frustration, struggle, rejection and doubt. If only she'd had a handbook for the aspiring actor. Or, better yet, someone to show her the way—an established actor who could educate her about the business, manage her expectations, and reassure her in those moments of despair. Jenna wants to be that person for you. With amusing candor and wit, Fischer spells out the nuts and bolts of getting established in the profession, based on her own memorable and hilarious experiences. She tells you how to get the right headshot, what to look for in representation, and the importance of joining forces with other like-minded artists and creating your own work—invaluable advice personally acquired from her many years of struggle. She provides helpful hints on how to be gutsy and take risks, the tricks to good auditioning and callbacks, and how not to fall for certain scams

(auditions in a guy's apartment are probably not legit—or at least not for the kind of part you're looking for!). Her inspiring, helpful guidance feels like a trusted friend who's made the journey, and has now returned to walk beside you, pointing out the pitfalls as you blaze your own path towards the life of a professional actor.
