Rose is a princess, a Cinder, and half-human. She is the last one born of her kind, and on her twenty-first birthday, she must enter the woods and travel to find her Prince, as her sisters did before her. ". . . And we will all dance at the Grand Ball," her sisters would always say. But the Human servants are keeping a secret that could prevent the Cinders from reaching their Happily Ever After....Hidden in Rose's dreams and vision are the answers of the past between Cinders and Humans, and she is quickly running out of time trying to solve their hidden messages. She knows the answer lies in her

first clue--identifying an animal she has never seen before--that persistent vision of a furry white animal, holding a gold metal object and exclaiming, "Oh dear! Oh dear! I shall be too late!"

Raised with limited peer interaction, Ernestine St Bennett has difficulty interpreting social cues. At twenty-five she's become a loner; a shy nerd immersed in her scientific studies, whose best friend is her pet

fish, Waldo. Then Ernestine meets Simon Prime, who's obviously a nerd, too! Sympathizing with his social dysfunction, Ernie decides to help poor Simon increase his self-esteem and thus enhance his social standing. Using principles learned in her fish studies, she'll simply turn Simon from meek to macho. What Ernestine doesn't know (but Waldo suspects) is that Simon Prime is really ex-cop, private investigator Sam Pierce in disguise. A man

who definitely doesn't need his masculinity enhanced!

"...profoundly moving..." -Publishers Weekly
Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad - the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the

President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

Princeton Review
THIS is the story
of my life in
Christ. Now, what
does living in
Christ mean? It
means that one is
FOR Christ, that
one not only
accepts Him, but
that one lives in
Him. Living in
Christ has little
relationship to the
more commonly

accepted situation
of living as a
Christian, or
living a Christian
life. Living AS a
Christian means
that one has
accepted the tokens
of Christianity,
that one agrees in
the divinity of
Christ, that one is
a member of a
Christian
congregation, in a
largely Christian
community, in a
Christian nation.

Thus, one can lead a
Christian life
without knowing
Christ and without
changing one's
existence in the
slightest degree.
If a person leads a
Christian life, and
it does not
transform one's
existence, then one
can be sure that he
does not KNOW
Christ. Knowing
Christ is the only
manner in which one
can go beyond

oneself, and the only manner in which one can go beyond one's world. In knowing Christ, one is immediately lifted out of the mechanical life of the human existence, one transcends the common existence. One is no longer a human machine, leading a hopeless, mechanical life, repeating the same meaningless motions

like a robot throughout the years of one's earthly existence. What was Christ's admonition? "Take up the Cross, and follow Me." But, in explication of this admonition, the New Testament contains many significant references to the condition of sleep, and Christ's exhortations to mankind to awaken. Now, what does this

mean? It means that Christ did not wish to be followed by robots and sleepwalkers, He desired man to awaken, and to attain the full use of his earthly powers. Not only are mechanical men of no use to Christ, but they are quite dangerous, they present endless difficulties in the establishment of

Christ's Kingdom on earth.

In an age of
skepticism and

disenchantment,
people long for
something that
satisfies our mind's
search for truth and
our heart's desire
for beauty and
meaning. Stand Firm:
Apologetics and the
Brilliance of the
Gospel argues that
the gospel satisfies
both of these needs.
It is true and
rational, but it is
also inherently
attractive and
provides meaning and
purpose. In short,

the gospel is
brilliant. It is
brilliant, in one
sense, because of the
broad variety of
evidences for its
truth. But it is also
brilliant given its
beauty, goodness and
the meaningful life
it offers. The book
provides up to date
responses to
questions about the
existence of God, the
reliability of the
Bible, Jesus and the
resurrection, and the
problem of evil. It

also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

The consequences of drug use, whether illicit or prescribed. Consequences that can be enduring, lifelong, even carry through generations. Yet few of us have the time to consider them as we live in

the heat of our own daily lives. I have seen this in action, watched events while they happened, seen it unfold, lived through the results, and unfortunately am observing the ongoing calamities of it all, still today. It is not fun to watch but not mine to fix. I was and am an observer, a

recorder, merely that, out of the action, incapable of altering the results. My wife made a great point on this novels subject. Drug use she said is a leveler. It brings people down the lowest common denominator. What a concept! How right on is that statement! Drugs affect the rich, the poor, the

famous, and the infamous in every country and nationality on this earth. If you are on the upscale end drugs keep you there. The users life contribution to humanity is likely to be nothing, but the cost to the user, their family and friends in physical, emotional, and fiscal terms

expensive and of course dangerous, because it may also kill you. I have put these observations into this novel hoping that readers can identify with the characters, watch them grow and suffer through the consequences of their actions unaware of the effect of their lives and on others.
