Rene, el Tigre, & Me By: Norm Leventhal After 50 years of private practice in the field of communications law, Norm Leventhal has decided to write the story of how he was fortunate enough to meet the two principal forces in the birth, growth, and maturity of Spanish language television in America and how his law career became thoroughly intertwined with these two giants of Spanish media for more than four decades. It is a story of the development of Spanish language television in the United States - its modest beginnings, the sacrifices made by its pioneers, its growth over the last five

decades, and what it took - in financial, business, artistic, and legal talent - to achieve this newfound success. It is also, more importantly, a story of the lessons that the author learned, or should have learned, in his role as counsel to the major players in this achievement. It recounts the highpoints of that effort, as well as the failure in temperament and character that played a part in the mistakes and missteps in judgment that were made in the course of those labors. There are many twists, turns, and unexpected events. Read the entirety of this book and learn something new.

A SUMMARY OF THE HIDDEN TEACHINGS OF THE APOCALYPSE (LAST BOOK OF THE BIBLE) Man is the subject of the Ancient Scriptures. Perfect Man is the Hero of the Ancient Scriptures. Department in harmony with Cosmic Law was the ancient standard of Perfect Man. According to the principles of the Ancient Masters, complete self-mastery was their standard of Perfect Man. For he who conquers himself is greater than he who conquers a city. He that overcometh the desires of the flesh and the passions of the blood, and obeyeth the commandment not to eat of the "forbidden fruit", the same shall inherit all things good in life; and I, Perfection, will be his Guide, and he shall be my Son (Gen. 2:17; Rev. 21:7). The first book and the last book of the Bible deal with the "forbidden fruit". The last book describes, in symbol and parable, the nature of the man who heeds the commandment

not to eat of the "forbidden fruit", and defines the great reward inherited by him for obedience. For such is the only man who is worthy to open the book and to loose the seals thereof (Rev. 5). Also, in the last book of the Bible there is concealed the greatest of all secrets of the Human Body, the Microcosm. This secret, hidden in symbol and parable, is so strange and obscure that as yet modern science knows nothing about it, and the priests and preachers have never discovered it. The purpose of this work, which is presented in two parts, is to uncover and reveal that carefully guarded secret, and to provide a summary of the hidden teachings of the Apocalypse—the last book of the Bible.
