*SAMSUNG GALAXY A12 User Guide* CreateSpace  
REVISED FOR SENIORS. This book is written from the point of view of a user who is somewhat baffled by the complexity of the documentation and online support that comes with the Samsung Galaxy S9/S9 Plus. Contained therein are topics pertaining to: (I) Setting up the phone (II) Learning tips and tricks (III) Best essential and compatible apps for optimizing Samsung galaxy S9 and S9 Plus (IV) Solutions to common S9/ S9 Plus apps problems (V) S9/S9 Plus maintenance: the limits to water and dust resistance. The good thing about this beautifully designed book is that the author presents the information in such a way that even kids will understand.

Samsung Galaxy S10 & S10 Plus User's Manual: Quick and Easy Ways to Master Your Galaxy S10 Series and Troubleshoot Common Problems Independently Published  
The Galaxy Note 10 isn't just thinner and lighter than the Note 9, but it's one of the most compact phones ever.Samsung built the Galaxy Note brand on delivering the best big-screen phones around. The 6.3-inch Note 10 is one of the most compact big-screen phones yet, thanks to its nearly bezel-free Infinity-O screen - and some features Samsung left on the cutting room floor. The Note 10 also boasts several S-Pen enhancements (including gestures), a better camera for video recording, outstanding hardware, excellent battery life and an easier way to mirror the phone on a PC. However, these devices pack so much inside that setting up and personalizing your Galaxy Note 10 can be an intimidating process - especially if you don't know where the pertinent settings can be found. For instance, all the phone's buttons are on the left side of the Note 10 plus. Pressing and holding the power button activates Bixby instead of offering power options. So there is a learning curve in getting used to the Note 10 Plus' layout.This complete step-by step guide will guide you through all the basics and advance tips and tricks

to master your device like a pro. Add this guide to your library now and make the most of your device.
