Intensely private radio personality Art Bell, who lives in the middle of the desert 65 miles west of Las Vegas--where he broadcasts his radio shows--finally comes forward with his fascinating autobiography.

Vivid Valentine Scrapbook Paper John Wiley & Sons

"Time is a thief and history a lie," says young Dr. Tessa Leonard, historian and survivor of the brutal Nazi takeover of Austria. But what if the past could be redone, if Keplerian math theory and cosmology could grant you access to the alchemy of time, fate, and destiny, and let YOU set things right? Join Tessa Leonard and mathematician Troc Ang on their harrowing firsthand experience of the Fall of Saigon in 1975 and the dreaded Nazi "Anschluss" in 1938. Who dies, who's saved, and at what price? This story from award-winning novelist Chris Manno (East Jesus, Voodoo Rush and Blood & Remembrance) is an adventure you'll live rather

than read, and one you won't soon forget.

A Mexican girl experiences many of the hardships that beset illegal aliens when she sets out to find work and an unknown aunt in California.

Senses of the Soul Feral House

Film historian Bruce Rux posits that the film industry has long collaborated with a government disinformation campaign about UFOs, shaping and controlling knowledge about documented UFO activity. The book uncovers the conspiracy roots of government involvement in science-fiction/horror movies, from pulp-fiction and Lost World romances to films dealing with flying saucers, the planet Mars, mind control, abductions, transdimensional journeys, and extraterrestrials. Written in a mock-serious tone reminiscent of Rod Sterling's Twilight Zone TV Series, and illustrated with old movie stills and posters, Hollywood Vs. the Aliens is a fascinating, fun read, yet delivers some startling findings.

Rux reviews the facts known about UFOs and ancient technologies, and how they came to be discovered. Then he investigates the period between the 1930s and 1950s, focusing on CIA Robertson Panel's recommendation that Hollywood be used as a deflectionary tool against popular interest in UFOs. Government involvement in Orson Welles' 1938 War of the Worlds broadcast is discussed, as are the Disney and United Artists studios' early connections to patriotic propaganda. Early '50s movies like The Thing from Another World and The Day the Earth Stood Still show UFOlogical facts that only government sources could have known at the time. From there the book goes on to discuss recent releases and the ongoing depictions of aliens and UFOs, right up to Independence Day, Men in Black, and Mars Attacks!

Santa Muerte Sams Miguel has dreamed of joining his parents in California since the day they left him behind in Mexico six years, eleven months, and twelve days ago. On the morning of his fifteenth birthday, Miguel's wait is over. Or so he thinks. The trip north to the border—la línea—is fraught with dangers. Thieves. Border guards. And a grueling, two-day trek across the desert. It would be hard enough to survive alone. But it's almost impossible with his tagalong sister in tow. Their money gone and their hopes

nearly dashed, Miguel and his sister have no choice but to hop the infamous mata gente as it races toward the border. As they cling to the roof of the speeding train, they hold onto each other, and to their dreams. But they quickly learn that you can't always count on dreams—even the ones that come true. Latino Interest.

Adjutant General's Office, Topeka. 1901 Square** Fish Santa Muerte is a complete ritual guide to working with this famous and beloved Mexican

folk saint. Death welcomes everyone. This is the foundation for the veneration of Santa Muerte, or "Holy Death." Considered to be the female personification of death, she is associated with protection and safe passage to the afterlife. She is also the patron saint of people who live on the fringes of society and often face violence and death. In recent years her constituency has expanded to include the LGBT community and people who are marginalized or whose jobs put them at significant risk of death such as military and police personnel. Santa Muerte is hailed as their potent and powerful protector, capable of delivering them from harm and even granting miracles. Santa Muerte is a complete ritual guide to working with this

famous--and infamous!--Mexican folk saint. It takes us beyond the sensational headlines to reveal the truth about why Santa Muerte is so beloved by so many. Author Tracey Rollin presents simple, straightforward methods for working with Holy Death that may be used alone or easily incorporated into your own magical practice.

surmount even the most uphill of emotional struggles.

Urban School Leadership Hachette UK

The Compact Disc (CD), as a standardized information carrier, has become one of the most successful consumer products ever marketed. Although the original disc was intended for audio playback, its specific advantages opened very quickly the way towards various computer applications. The standardization of the Compact Disc Read-Only Memory (CD-ROM) and of all succeeding similar products, like Compact Disc interactive (CD-i), Photo and Video CD, CD Recordable (CD-R), and CD Rewritable (CD R/W), has substantially enlarged the range of possible applications. The plastic disc represented from the very beginning a removable medium of large storage capacity. The advent of the personal

computer accompanied by the increasing demand for both data distribution and exchange have strongly marked the evolution of the CD-ROM drive. The number of sold CD-ROM units exceeded 60 millions in 1997 when compared to about 2.5 millions in 1992. As computing power continuously improved over the years, computer peripherals have also targeted better performance specifications. In particular, the speed of CD-ROM drives increased from the so-called 1X in 1984 to double speed in 1992, and further to 32X at the beginning of 1998. The average time needed to access data on disc has dropped from about 300 ms to less than 90 ms within the same period of time.

Packed with recipes, detox plans, routines and remedies, Ayurveda Detox will help you cleanse your body of toxins and restore you to your

natural state of health and happiness. The ancient principles of Ayurveda, or the 'Science of Life', are rooted in the idea that everything is interconnected: we cannot separate our body from our mind, and we cannot separate ourselves from the world we live in. The concepts of interconnectedness and balance underpin all Ayurvedic thinking. According to Ayurveda, our natural state is one of health, happiness and an inner sense of wellbeing. 'Health' is defined as the body being clear of toxins, the mind at peace, our emotions balanced, our wastes eliminated and our organs functioning normally. Imbalances cause ill-health and make us more susceptible to disease. Maintaining health

and preventing disease while coping with the hectic, often toxic world we live in is challenging, but by following the natural cycles and rhythms of the seasons and our own bodies, we can find balance and optimize our wellbeing. Detoxing - essentially removing excess waste - is one of the most important ways we can attain balance and the comfort and wellbeing that go with it. In this book you will learn how to understand your own constitution and use the daily and seasonal cycles of nature to discard waste and toxic build up. You will discover how to boost your own ability to self-regulate based on your specific body type, or in Sanskrit, 'dosha'. With easy-to-follow instructions to help you detox

safely at home, Ayurveda Detox is a comprehensive guide filled with plans, routines, recipes and home remedies, to help you achieve your natural state of health and happiness.

Tropical Plant Science
Routledge

The New York Times bestseller about the strange history of NASA and its cover-ups regarding its origins and extraterrestrial architecture found on the moon and Mars is even more interesting in its new edition. Authors Richard C. Hoagland and Mike Bara include a new chapter about the discoveries made by ex-Nazi scientist and NASA stalwart Wernher von Braun regarding what he termed "alternate gravitational solutions," or the rewriting of Newtonian physics into hyperdimensional spheres.

With U.S. intelligence agencies wracked by internal power struggles and paralyzed by bureaucracy, the president has been forced to establish his own clandestine group--Covert-One. It's activated only as a last resort, when the threat is on a global scale and time is running out. The

Utopia Experiment When Dresner Industries unveils the Merge, a device that is destined to revolutionize the world and make the personal computer and smartphone obsolete, Covert-One operative Colonel Jon Smith is assigned to assess its military potential. He discovers that enhanced vision, real-time battlefield displays, unbreakable security, and near-perfect marksmanship are only the beginning of a technology that will change the face of warfare forever--and one that must be kept out of the hands of America's enemies at all costs. Meanwhile, in the mountains of Afghanistan, CIA operative Randi Russell encounters an entire village of murdered Afghans--all equipped with enhanced Merge technology that even the Agency didn't know existed. As Smith and Russell delve into the circumstances surrounding the Afghans' deaths, they're quickly blocked by someone who seems to have access to the highest levels of the military--a person that even the president knows nothing about. Is the Merge really as secure as its creator

claims? And what secrets about its development is the Pentagon so desperate to hide? Smith and Russell are determined to learn the truth. But they may pay for it with their lives . . .

This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political tasks of this role. Effectively combining practical lessons and research, *Urban School Leadership*

includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of this difficult job. Urban School Leadership is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of

Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels. This very practical book is grounded in the important experiences and impressive judgment of one of our nation's most successful school superintendents"—John Schnur, co-founder and CEO, New Leaders for New Schools "Tom Payzant is one of the finest urban educators of our generation. Urban School Leadership is compelling, crisp, and wise—providing a clear path for those dedicated to improving the trajectory of children's lives."—Timothy F.C. Knowles, executive director, Center for Urban School Improvement, University of Chicago "Urban School Leadership

is a must read for anyone interested in the landscape of urban public education in America."—Beverly Hall, superintendent, Atlanta Public Schools
