I had just moved into my
first apartment and finally
felt like I was free. I was
holding down a job and
handling everything on my own
enjoying my new place until
one day I found out I wasn't
the only one enjoying it.
Somehow and someday I was
being watched. But how and by
whom? I would soon find out
that there were cameras that
I couldn't see in my
apartment not by word of
mouth but by watching the
daily news and learning from
tips I was getting from my

friends on social media sites
like Facebook, Snapchat, and
Instagram. And what started as
a small joke between close
friends soon spilled over into
the entertainment world from
music to sports and even
daytime shows until it
eventually reached the head of
our country, the president of
the United States.
