SCP Foundation anomalies SCP-1000 through to SCP-1999, including containment procedures, auxiliary documents, experiment logs and interview transcripts. An encyclopedia of the unnatural. The Foundation Operating clandestine and worldwide, the Foundation operates beyond jurisdiction, empowered and entrusted by every major national government with the task of containing anomalous objects, entities, and

phenomena. These anomalies pose a significant threat to global security by threatening either physical or psychological harm. The Foundation operates to maintain normalcy, so that the worldwide civilian population can live and go on with their daily lives without fear, mistrust, or doubt in their personal beliefs, and to maintain human independence from extraterrestrial, extradimensional, and other extranormal influence. Our mission is three-fold: Secure The Foundation secures anomalies with the goal of preventing them from falling into the hands of civilian or rival agencies, through extensive observation and surveillance and by acting to intercept such anomalies at the earliest opportunity. Contain The Foundation contains anomalies with the goal

of preventing their influence or effects from spreading, by either relocating, concealing, or dismantling such anomalies or by suppressing or preventing public dissemination of knowledge thereof. Protect The Foundation protects humanity from the effects of such anomalies as well as the anomalies themselves until such time that they are either fully understood or new theories of science can be devised based on their properties and behavior.

About the ebook This ebook is an offline edition of the second series of fictional documentation from the SCP Foundation Wiki. All illustrations, subsections and supporting documentation pages are included. All content is indexed and cross-referenced. Essentially, this is what a SCP

Foundation researcher would carry day-to-day in their Foundation-issued ebook reader. The text has been optimised for offline reading on phones and ebook readers, and for listening to via Google Play Book's Read Aloud feature. Tables have been edited into a format that is intelligible when read aloud, the narration will announce visual features like redactions and overstrikes, and there are numerous other small ~~optimisations~~ for listeners. The SCP text are a living work and the SCP documentation is a gateway into the SCP fictional universe, so links to authors, stories and media are preserved, and will open your reader's web browser.
