Once upon a time, a nobody met a prince. Then she met his best friend, a second prince. Then she learned they like to share, and that's when things got interesting. That's when things got downright scandalous. My life has never been a fairytale. Absent parents, a grandmother gone too soon, and a job working the kitchens for the most heinous b**ch in the Kingdom of Bandiff. But that's before I sneak into the hottest royal ball on the planet. That's before I waltz right into them. The McDermott Princes. Princes, plural. There's two of them - both gorgeous beyond belief, alpha as hell, and more tempting than sin. Both with their eyes on me and both with that look that says that I'm theirs. Two princes, one baker. This might sound like too many cooks in the kitchen, but they say they like to share. They say they'll tear their whole kingdom down to make me theirs. They say they want to make me their Queen. Pretty soon, breaking into a royal ball is the least of my problems. This is a disaster waiting to happen. It's filthy, and oh-so-wrong. It's a royal scandal of epic proportions, and I'm right in the middle of it.... I'm right in the middle of them. Maybe this is a fairytale after all. Ever heard of the cook who found a crown? How about two crowns? Two big, dominant, mouthwatering, pulse-quickenning crowns. I've never found a happy ever after. Now, I think I'm about to find two of them. This is a standalone story. The books in the *Royally Screwed* series can be read in any order. Steamy as all get-out, ridiculously over the top, and more growly alpha yumminess than you can shake a tiara at. Seriously - reality got left at the door with this one. But something tells me, you're going to love it ;) . Get ready to have your cake and eat it two too! This mfm romance is all about her - no m/m. As with all my books, this standalone novella is safe, with no cheating, and a HEA guaranteed.

"The Mutual Fund Industry Handbook is a remarkably important work . . . I am profoundly impressed by the broad and comprehensive sweep of information and knowledge that this book makes available to industry participants, college and business school students, and anyone else with a serious interest in this industry." -- From the Foreword by John C. Bogle President, Bogle Financial Markets Research Center Founder and former chief executive, The Vanguard Group
A Foreword by John C. Bogle, founder of The Vanguard Group and one of the most respected leaders in the mutual fund industry, sets the stage for this authoritative book that explains the complexities of the phenomenal industry in simple terms. Investors like the fact that mutual funds offer professional management, easy diversification, liquidity, convenience, a wide range of investment choices, and regulatory protection. *Mutual Fund Industry Handbook* touches on all of those features and focuses on the diverse functions performed in the day-to-day operations of the mutual fund industry. You'll learn about: Front-office functions - analysis, buying, and selling. Back-office functions, including settlement, custody, accounting, and reporting. Commission structures - front-end loads, back-end loads, or level loads. The various fund categories used by the Investment Company Institute,

Morningstar, and Lipper. The roles played by fund managers, investment advisors, custodial banks, distributors, transfer agents, and other third-party service providers. If you want a definitive reference on the mutual fund industry, this is the book for you.

Molecular Associations in Biology Elsevier

Molecular Associations in Biology provides information pertinent to molecular biology. This book discusses several topics, including DNA replication, calculation of intermolecular energies, and thermodynamic parameters of polynucleotides. Organized into 35 chapters, this book starts with an overview of the specific association of the purine and pyrimidine bases in the nucleic acids, which provides the basis for storage, expression, and transmission of genetic information. This text then explores the secondary structures, interactions, and replication processes of nucleic acids. Other chapters consider the complex biological process of protein synthesis. This book discusses as well the methods of photodynamic action, which is significant in detecting energy transfer from dye to the biomolecule and identifying the free radicals produced. The final chapter deals with the macroscopic properties of molecular systems, which refer to such concepts as volume, mass, pressure, temperature, and pH. This book is a valuable resource for biophysicists, organic chemists, biochemists, and biologists.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY RT BOOK REVIEWS The war for Scotland's freedom continues as King Robert the Bruce battles on. At his command is an elite army of trained warriors, soldiers dedicated to their king, their country—and to the remarkable women they love. Prized for his unbeatable tracking skills, Ewen "Hunter" Lamont accepts a dangerous assignment: locate a missing undercover courier. But this is no ordinary target. Ewen has met his prey before as "Sister Genna," a fiery, forbidden woman forever etched in his memory after one stolen, sinful kiss. Now that he knows her real identity, he's more determined than ever to keep her safe. But without the protection of the veil between them, fighting the allure of the beautiful lass

may be the toughest battle this extraordinary warrior has ever faced. After her ill-fated attempt three years ago to rescue her twin sister, Janet of Mar has found salvation acting as a royal messenger—until she surrenders to a darkly handsome warrior whose rough, sensual kisses stir feelings the woman in her can't deny. But when betrayal leads to danger, and a crucial communiqué is put in jeopardy, Janet has no choice but to put her faith in the hunter who can find anything—perhaps even her heart. Praise for *The Hunter* "[Monica] McCarty breathes life into her memorable characters as they face dangerous adventures. The fresh plots, infused with romance and passion, are also brimming with history and drama. She's outdone herself with this fiery story of a forbidden love. What a fantastic addition to the series!"—RT Book Reviews "McCarty creates an enjoyable romance with torrid chemistry, appealing characters, and believable historical situations."—Publishers Weekly "The Hunter is another strong addition to an excellent ongoing series about the lives and loves of the Highland Guards. . . . The research of the time period is very well done, and with an earnestly believable personal story woven in seamlessly. This is another highly enjoyable action-filled read for fans of the series, but can easily be read standalone."—Fresh Fiction "McCarty is keeping her Highland Guard series fresh, with spectacularly riveting plots and fabulously romantic couples. . . . McCarty is a master at writing Highlander romance. . . . If you've not read this series yet, then I strongly suggest that you do. The Hunter is a must read for all historical romance readers."—Night Owl Reviews "The adventures of the Highland Guard never disappoint in providing excitement and political intrigue in this series. The historical aspects of the era are finely woven into the wonderful storytelling. . . . But, the romance is the real jewel this time and made *The Hunter* a truly exceptional story."—The Book Nympho Praise for Monica McCarty "Monica McCarty is a master of blending fact and fiction."—Romance Junkies

NATIONAL BESTSELLER As King Robert the Bruce of Scotland plots to retake his English-occupied castles, he needs the stealth and skill of his elite soldiers, the Highland Guard. Fearless and indomitable, no men are more loyal to their king, or more cherished by the women they love. The talents of legendary marksman Gregor "Arrow" MacGregor are crucial now, as Bruce moves to reclaim his Scottish holdings. Gregor is considered the most handsome man in Scotland, and his fame as an archer is rivaled only by his reputation with the lasses as a heartbreaker. But when his infamous face is exposed during a covert mission, Gregor is forced to lie low. He returns home only to find a new battle waiting: a daring game of seduction involving his now very grown-up and very desirable ward, Cate of Lochmaben. A born fighter, Cate was clinging to life when Gregor rescued her after a vicious English raid on her village left her mother dead. But five years later, the once scrappy orphan Gregor took under his protection has become a woman. Brave, strong, and skilled in warfare, Cate is determined to lay claim to the warrior who refuses to be trapped. The heat in his eyes tells her she has his attention . . . and his desire. But will Gregor allow his heart to surrender before danger finds them, and the truth of Cate's identity is revealed? Praise for Monica McCarty and The Arrow "[Monica] McCarty's gift lies in writing strong characters into wildly entertaining—often unexpected—scenarios. Readers can't go wrong with her latest."—The Washington Post "The Highland Guard come to life as McCarty fills her tales with historical accuracy and moving romance. The ninth in the series is well paced, emotional and powerfully told. Don't miss it!"—RT Book Reviews (Top Pick!) "One of the best Highlander historical series out there."—The Reading Cafe "Heart-wrenching . . . The Arrow made a lasting impression on me."—Under the Covers "A mixture of passion, history, and great wit to create a tale to captivate your senses! To die for!"—Addicted to Romance "There is danger, laughter, and sweet love and secrets revealed. All the characteristics of a wonderful read."—Tea and Book "Monica McCarty is an absolutely superior author! Her Highland Guard series has to be one of the absolute best Highland series out there! Fun, fast paced, fact driven and totally fantastic!"—Bodice Rippers, on The Raider "McCarty is a master at writing Highlander romance . . . keeping her Highland Guard series fresh, with spectacularly riveting plots and fabulously romantic couples. . . . If you've not read this series yet, then I strongly suggest that you do."—Night Owl Reviews, on The Hunter

A Deal with the Devil Christina Tetreault
The steamy first book in The Pleasure Wars series by USA Today Bestselling Historical Romance Author Jess Michaels Amid all the lies and scandals that fuel Society's gossip mill, one truth has stood out: House Rothcastle and House Windbury have always hated each other. Lady Ava Windbury prays the feud will someday end, to no avail. One dreadful night, her brother accidentally causes the death of Christian Rothcastle's sister, a tragedy that leaves both men maimed. Consumed by grief, Christian makes a grim decision. He will kidnap Lady Ava so that her family will feel the pain of loss as keenly as he feels the loss of his own sister. But once he has Ava in his clutches, desire takes unexpected hold. Even more surprising, she willingly surrenders to his every sexual whim—after haggling over the terms of giving up her virginity. Too late, he realizes she is using her body for peace, not war. But just as their affair of revenge turns into an affair of the heart, the past rears its ugly head to take matters into its own hands...
