multiple PDF documents are created. Import the ESR Content "WHINT_IFD, 2016.10 of whitepaper-id.com" (TPZ provided by Whitepaper InterfaceDesign) into your SAP PI/PO ESR.

How to Use Interface-Documentation on SAP Solution Manager

The classic way for communication between non-SAP systems and SAP is, according to SAP itself, the RFC interface. RFC interfaces are also often used to communicate between SAP systems itself. Put simply, RFC is a remote function call. The RFC interfaces for integration have been available since SAP/R3 until today.

Tip: How to Get a Function Module Interface and ... - SAP

The BAPI interfaces WebSphere Adapter for SAP Software supports

outbound processing and inbound processing for simple BAPIs. In outbound processing, the client applications call BAPIs and other RFC-enabled functions on the SAP server. In inbound processing, the SAP server sends an RFC-enabled function (such as a BAPI function) through the adapter to an endpoint.

Today I want to present the possibility to get the interface and

the documentation of a function module (FM). My example uses CCo, the COM Connector for the RFC library, but you can use also other ways to call a RFC function module (FM). I use the RFC FMs RFC_GET_FUNCTION_INTERFACE and RFC_FUNCTION_DOCUMENT_GET. The first example in Visual Basic Script uses only RFC_GET_FUNCTION_INTERFACE. [SAP interfaces - ibm.com](#)

Project manager, Pharmaceutical company, 2020 – 2,500 interfaces
“ We started to use UDO in order to prepare our migration between 2 SAP PI/PO version. Utilization of UDO to manage documentation helped us to reduce our documentation effort by a factor 10, and our cost by a factor 15 compare to fully human managed documentation. This helped us to hugely accelerate the project by reducing ...
