Sapphire Ice (The Jewel Trilogy, #1) by Hallee Bridgeman

It is actually a four book set with a 'novella' called 'Far Above Rubies' thrown in for good measure between Robin's and Maxine's stories. Sapphire Ice is the story of the eldest, Robin. She was her sisters' protector when they were children and continues this on into adult life, sometimes going overboard with her stubbornness and self reliance.

Sapphire Ice is definitely a character-
driven story, which was one of the
things I loved most about it. I liked
how clearly the gospel was presented;
it felt very much like an integral part
of the story rather than just something
"tacked on".
