LEOPOLD SCHÄFER, the only child of Major Charlene Radden and former spy, Karl Schäfer has trained his enter life for this moment in time. An American spy undercover in a Nazi uniform operating under the codename VALOR, he receives a promotion to Oberleutnant and a new duty assignment in charge of the prisoners in Occupied France's Valeurville prison. In the wake of Marie Perrin, codename Temperance's arrest, Leo must handle the situation with the utmost caution. On one hand, every instinct in his heroic mind screams to protect the beautiful wireless operator from the hands of the Nazis. On the other, he cannot risk compromising his cover. It takes quick thinking and not a small amount of prayer to shield her from the harsh interrogation tactics of the Schutzstaffel trained interrogator. While he personally sees to her health and safety, he realizes that more than his cover is at risk as his feelings for the beautiful spy grow. As her situation grows more grave, he must focus on the bigger picture and the whole mission and make the hardest decision of his life. Can he protect her without blowing his own cover, or will he place his own life in danger to keep her safe? VALOR'S VIGIL is the exciting conclusion to the eight serialized novellas entitled the Virtues and Valor series.

Seven valorous women — different nationalities, ethnicities, and social backgrounds — come together as a team called the Virtues. In 1941 Great Britain a special war department assembles an experimental and exclusively female cohort of combat operatives. Four willing spies, a wireless radio operator, an ingenious code breaker, and a fearless pilot are each hand-picked, recruited, and trained to initiate a daring mission in Occupied France. As plans are laid to engineer the largest prison break of Allied POWs in history, the Nazis capture the Virtues' radio operator. It will take the cohesive teamwork of the rest of the women to save her life before Berlin breaks her and brings the force of the Third Reich to bear. Some find love, some find vengeance, and some discover the kind of strength that lives in the human heart when all they can do is rely on each other and their shared belief. Courage, faith, and valor intersect but, in the end, one pays the ultimate price. CONCLUDING the Virtues and Valor series by Hallee Bridgeman. Robin Bartlett said, 'Yes!' Will she say, 'I do' when the big day arrives? From his cultured handsome looks to his vast fortune, Antonio 'Tony' Viscolli is every girl's dream. Robin comes from a blistering past, struggling for survival in a cold, cruel world. Robin never had a chance to dream of a white wedding gown or a prince charming. Instead, her dreams were nightmares -- dark and clouded with fear and desperation. By the time Tony thaws her heart, she has known hunger, poverty, violence, and want. For months, Tony courted the blond beauty with the sapphire eyes. He showered with attention, respect, and charm and covered her in diamonds, sapphires, and rubies. Finally, Robin came to understand God's love for her as imitated by the unconditional love Tony freely offered. On a sunny Florida beach, Tony proposed.

Back in bitter cold Boston, doubts about becoming a billionaire's bride begin to burden her hopes for happiness. Robin struggles to cope with the never-ending details of the shower, ceremony, reception, and honeymoon; the prospects of changing her name and relocating; and the very public image she must suddenly adopt; all while dealing with her father's very serious legal problems. As the date draws inexorably near and the pressure mounts, Robin questions whether she is truly the woman God has made for him. Is she the girl of his dreams? His vast material wealth begins to overwhelm her. Nightmares from a forgotten past return in full force, reminding Robin of an even deeper and more terrifying prospect. Will she give in to her insecurities and cancel Boston's 'Royal Wedding' for good? Or, with God's guidance, can Tony sacrifice everything to prove to his beloved Robin her true worth.

AN INSTANT NEW YORK TIMES BESTSELLER "I absolutely loved *Invisible Girl*—Lisa Jewell has a way of combining furiously twisty, utterly gripping plots with wonderfully rich characterization—she has such compassion for her characters, and we feel we know them utterly... A triumph!" —Lucy Foley, New York Times bestselling author

The #1 New York Times bestselling author of *Then She Was Gone* returns with an intricate thriller about a young woman's disappearance and a group of strangers whose lives intersect in its wake. Young Saffyre Maddox spent three years under the care of renowned child psychologist Roan Fours. When Dr. Fours decides their sessions should end, Saffyre feels abandoned. She begins looking for ways to connect with him, from waiting outside his office to walking through his neighborhood late at night. She soon learns more than she ever wanted to about Roan and his deceptively perfect family life. On a chilly Valentine's night, Saffyre will disappear, taking any secrets she has learned with her. Owen Pick's life is falling apart. In his thirties and living in his aunt's spare bedroom, he has just been suspended from his job as a teacher after accusations of sexual misconduct—accusations he strongly denies. Searching for professional advice online, he is inadvertently sucked into the dark world of incel forums, where he meets a charismatic and mysterious figure. Owen lives across the street from the Fours family. The Fours have a bad feeling about their neighbor; Owen is a bit creepy and suspect and their teenaged daughter swears he followed her home from the train station one night. Could Owen be responsible? What happened to the beautiful missing Saffyre, and does her disappearance truly connect them all? Evocative, vivid, and unputdownable, Lisa Jewell's latest thriller is another "haunting, atmospheric, stay-up-way-too-late read" (Megan Miranda, New York Times bestselling author).

To Robin Bartlett, men were nothing more than violent users. After a hair-raising childhood, Robin and her two younger half sisters battled simply to survive. Determined to give her sisters a very different life from that of their mother; to never have to rely on a man for anything, she worked two jobs and put them both through college, while accepting help from no one. Her heart had turned to ice and she had no use for men or God. Antonio "Tony" Viscolli had grown up on the streets, homeless. At seventeen, he entered a downtown church with the intent of casing it, but found himself on his knees at the altar. Lovingly fostered by the youth minister, Tony learned about God. Striking out on his own, he let God lead him to eventually become a very successful businessman. In a fallen world, Tony was a gem. When he bought the restaurant where Robin bartended, she immediately resented his intrusion into her well ordered, but exhausting, life. She suspected his special attention and constant kindness came with expectations of something from her in return, something she

wasn't willing to give. Tony knew God had led him to Robin. Would she ever allow herself to trust him? Could she ever allow herself to trust God? Or would the winter of their tragic youths rise from the shadows of the past and freeze any chance at happiness?

From the celebrated author of *The Bird Sisters*, a gorgeously rendered and emotionally charged novel that spans generations, telling the story of two siblings, raised apart, attempting to share a life. It is 1938 when Eveline, a young bride, follows her husband into the wilderness of Minnesota. Though their cabin is rundown, they have a river full of fish, a garden out back, and a new baby boy named Hux. But when Emil leaves to take care of his sick father, the unthinkable happens: a stranger arrives, and Eveline becomes pregnant. She gives the child away, and while Hux grows up hunting and fishing in the woods with his parents, his sister, Naamah, is raised an orphan. Years later, haunted by the knowledge of this forsaken girl, Hux decides to find his sister and bring her home to the cabin. But Naamah, even wilder than the wilderness that surrounds them, may make it impossible for Hux to ever tame her, to ever make up for all that she, and they, have lost. Set before a backdrop of vanishing forest, this is a luminous novel of love, regret, and hope.
