Reviewed in the United States on February 4, 2013. Very thorough treatise on common sense survival skills. Whipped out the book during hurricane sandy, and took the kids out back for practice in survival skills. With my p-35 can opener & alcohol swabs, a compass, & pocket knife, my 7 & 10 year old were starting fires & learning map reading & location as well as first aid & water collecting, just from the awesome pics & easy to follow instructions.
