Presents a review of subjects, sample questions and answers, and six full-length practice tests.

11 Practice Tests for the SAT & PSAT Peterson's Jessamy Harrison is eight years old. Sensitive, whimsical, possessed of a powerful imagination, she spends hours writing, reading or simply hiding in the dark warmth of the airing cupboard. As the half-and-half child of an English father and a Nigerian mother, Jess just can't shake off the feeling of being alone wherever she goes, and other kids are wary of her terrified fits of screaming. When she is taken to her mother's family compound in Nigeria, she encounters Titiola, a ragged little girl her own age. It seems that at last Jess has found someone who will understand her. TillyTilly knows secrets both big

and small. But as she shows Jess just how easy it is to hurt those around her, Jess begins to realise that she doesn't know who TillyTilly is at all.

Soaring Scores Illinois SAT Math Penguin

Seventeen years ago, Sepha Stephanos fled the Ethiopian Revolution for a new start in the United States. Now he finds himself running a failing grocery store in a poor African-American section of Washington, D.C., his only companions two fellow African immigrants who share his bitter nostalgia and longing for his home continent. Years ago and worlds away Sepha could never have imagined a life of such isolation. As his environment begins to change, hope comes in the form of a friendship with new neighbors Judith and Naomi, a white woman and her biracial daughter. But when a series of racial incidents disturbs the community, Sepha may lose everything all over again. Watch a QuickTime interview with Dinaw Mengestu about this book.

Taras Grescoe rides the rails all over the world and makes an elegant and impassioned case for the imminent end of car culture and the coming transportation revolution "I am proud to call myself a straphanger," writes Taras Grescoe. The perception of public transportation in America is often unflattering—a squalid last resort for those with one too many drunk-driving charges, too poor to afford insurance, or too decrepit to get behind the wheel of a car. Indeed, a century of auto-centric culture and city planning has left most of the country with public transportation that is underfunded, ill maintained, and ill conceived. But as the demand for petroleum is fast outpacing the world's supply, a revolution in transportation is under way. Grescoe explores the ascendance of the straphangers—the growing number of people who rely on public transportation to go about the business of their daily lives. On a journey that takes him around the world—from New York to Moscow, Paris, Copenhagen, Tokyo, Bogotá, Phoenix, Portland, Vancouver, and Philadelphia—Grescoe profiles public transportation here and abroad, highlighting the people and ideas that may help undo the damage that car-centric planning has done to our cities and create convenient, affordable, and sustainable urban transportation—and better city living—for all.

The Angel's Game CK-12 Foundation  
“ When a girl leaves home at eighteen, she does one of two things. Either she falls into saving hands and becomes better, or she rapidly assumes the cosmopolitan standard of virtue and becomes worse. ” With *Sister Carrie*, first published in 1900, Theodore Dreiser transformed the conventional “ fallen woman ” story into a genuinely innovative and powerful work of fiction. As he hurled his impressionable midwestern heroine into the throbbing, amoral world of the big city, he revealed, with brilliant insight, the deep and driving forces of American culture: the restless idealism, glamorous materialism, and basic spiritual innocence. *Sister Carrie* brought American literature into the twentieth

---

century. This volume, which reprints the text Dreiser approved for publication during his lifetime and includes a special appendix discussing his earlier, unedited manuscript, is the original standard edition of one of the great masterpieces of literary realism.

"6 full practice tests. Over 1,000 practice questions. 101 question topics. Detailed answers and explanations" --Cover.

The Book of Unknown Americans Princeton Review  
American Pastoral is the story of a fortunate American's rise and fall—of a strong, confident master of social equilibrium overwhelmed by the forces of social disorder. Seymour "Swede" Levov—a legendary high school athlete, a devoted family man, a hard worker, the prosperous inheritor of his father's Newark glove factory—comes of age in thriving, triumphant postwar America. But everything he loves is lost when the country begins to run amok in the turbulent 1960s. Not even the most private, well-intentioned citizen, it seems, gets to sidestep the sweep of history. With vigorous realism, Roth takes us back to the conflicts and violent transitions of the 1960s. This is a book about loving—and hating—America. It's a book about wanting to belong—and refusing to belong—to America. It sets the desire for an American pastoral—a respectable life of space, calm, order, optimism, and achievement—against the indigenous American Berserk.
