The Ballads and Songs of Yorkshire

Oxford University Press

According to the Bible, Eve was the first to heed Satan's advice to eat the forbidden fruit and thus responsible for all of humanity's subsequent miseries. The notion of woman as the Devil's accomplice is prominent throughout Christian history and has been used to legitimize the subordination of wives and daughters. In the nineteenth century, rebellious females performed counter-readings of this misogynist tradition. Lucifer was reconceptualized as a feminist liberator of womankind, and Eve became a heroine. In these reimaginings, Satan is an ally in the struggle against a tyrannical patriarchy supported by God the Father and his male priests. Per Faxneld shows how this Satanic feminism was expressed in a wide variety of nineteenth-century literary texts, autobiographies, pamphlets, newspaper articles, paintings, sculptures, and even artifacts of consumer culture like jewelry. He details how colorful figures like the suffragette Elizabeth Cady Stanton, gender-

bending Theosophist H. P.

Blavatsky, author Aino Kallas, actress Sarah Bernhardt, anti-clerical witch enthusiast Matilda Joslyn Gage, decadent marchioness Luisa Casati, and the Luciferian lesbian poetess Ren é e Vivien embraced these reimaginings. By exploring the connections between esotericism, literature, art and the political realm, Satanic Feminism sheds new light on neglected aspects of the intellectual history of feminism, Satanism, and revisionary mythmaking.

The Ballad of Peckham Rye [London] Ward and Downey, Limited

“The most comprehensive and comprehensible history of the West Virginia Coal War I’ve ever read” (John Sayles, writer and director of *Matewan*). On September 1, 1912, the largest, most protracted, and deadliest working class uprising in American history was

waged in West Virginia. On one side were powerful corporations whose millions bought armed guards and political influence. On the other side were fifty thousand mine workers, the nation's largest labor union, and the legendary "miners' angel," Mother Jones. The fight for unionization and civil rights sparked a political crisis that verged on civil war, stretching from the creeks and hollows of the Appalachians to the US Senate. Attempts to unionize were met with stiff resistance. Fundamental rights were bent then broken, and the violence evolved from bloody skirmishes to open armed conflict, as an army of more than fifty thousand miners finally

marched to an explosive showdown. Extensively researched and vividly told, this definitive book about an essential chapter in the history of American freedom, "gives this backwoods struggle between capital and labor the due it deserves. [Green] tells a dark, often despairing story from a century ago that rings true today" (Pittsburgh Post-Gazette).

Italian Popular Tales One World

The Ballad of Tom Dooley
is a literary triumph—what
began as a fictional re-
telling of the historical
account of one of the most
famous mountain ballads of
all time became an
astonishing revelation of the
real culprit responsible for
the murder of Laura Foster
Hang down your head, Tom
Dooley...The folk song,
made famous by the
Kingston Trio, recounts a
tragedy in the North
Carolina mountains after the
Civil War. Laura Foster, a

simple country girl, was murdered and her lover Tom Dula was hanged for the crime. The sensational elements in the case attracted national attention: a man and his beautiful, married lover accused of murdering the other-woman; the former governor of North Carolina spearheading the defense; and a noble gesture from the prisoner on the eve of his execution, saving the woman he really loved. With the help of historians, lawyers, and researchers, Sharyn McCrumb visited the actual sites, studied the legal evidence, and uncovered a missing piece of the story that will shock those who think they already know what happened—and may also bring belated justice to an innocent man. What seemed at first to be a sordid tale of adultery and betrayal

was transformed by the new discoveries into an Appalachian Wuthering Heights. Tom Dula and Ann Melton had a profound romance spoiled by the machinations of their servant, Pauline Foster. Bringing to life the star-crossed lovers of this mountain tragedy, Sharyn McCrumb gifts understanding and compassion to her compelling tales of Appalachia, and solidifies her status as one of today's great Southern writers. Buck 'Em! Univ. Press of Mississippi
A crime novel loosely based on the masses and songs of the 17th century Flemish composer Pierre de la Rue *Masses and Motets* is a tale composed of four basic interwoven threads, corresponding to the four-

part choral writing of Pierre de la Rue ' s service music. The first thread comes from the diaries of a recently murdered priest, Father Andrea Vidal, former secretary to the notorious Father Marcial Maciel. The second thread is the mystery story, a police procedural focusing on the efforts of Denver detective Francesca Fruscella to solve the murder and retrieve Vidal ' s diary. The third strand is the story of Father Signelli, a priest sent from the Vatican to " fix " the murder. And the fourth strand explores the best and worst of Catholic culture: art and music created by Catholic artists and sexual abuse by Catholic priests. Vidal ' s narrative is the story of a priest who systematically, sincerely, and hopefully tries to destroy his very self through sex,

drinking, and drugs in order to get closer to God. Fruscella ' s story is that of a middle-aged, female detective trying to solve a ghastly murder while constantly battling the sexism of the Catholic Church. Signelli ' s tale is that of an older career priest who, in doing the bidding of his superiors to fix problems that threaten the order of the Church, has perhaps compromised his own soul. By no means a simple narrative of wicked priests, this is a story of men who desperately want to believe, as well as a story of what this belief might shelter and cost. [Sing Me Back Home](#) Tor Books A living legend of Country Music and a worldwide music icon, superstar Kenny Rogers has enjoyed a fascinating five decades in show business, and he tells the full story of his remarkable life and career in *Luck or Something*

Like It. From his days with hit group The First Edition to his sterling solo work, the artist who "knows when to hold 'em and knows when to fold 'em" knows how to tell a captivating life story as well – bringing a golden era of Country Music to life as he recounts his remarkable rise to the top of the charts. An honest, moving, eye-opening view of a musician's life on the road, *Luck or Something Like It* is the definitive music memoir – a backstage pass to fifty years of performing and recording presented by the one and only Kenny Rogers, one of the bestselling artists ever.

My House of Memories
Hachette Books

A slender satirical gem from the “ master of malice and mayhem ” (The New York Times) *The Ballad of Peckham Rye* is a wickedly farcical tale of an English factory town turned upside-down by a Scot who may or may not be in league with the Devil. Dougal Douglas is

hired to do “ human research ” into the lives of the workers, Douglas stirs up mutiny and murder.

To Live's to Fly Satan Is Real

Jim Crace's novel is the brilliantly imagined story of Christ's forty days in the wilderness, a tale of three men, two women, and a curious wanderer whose peculiar fate is transformed into legend. Dazzling, gritty, and utterly compelling, *Quarantine* is a work at once timeless and timely - a parable for the ages.

Satanic Feminism
Da Capo Press

Considering the range of stars that have claimed Bill Monroe as an influence—Elvis Presley, Bob Dylan, and Jerry Garcia are just a few—it can be said that no single artist has had as broad an impact on American popular music as he did. For sixty years, Monroe was a star

at the Grand Ole Opry, and when he died in 1996, he was universally hailed as "the Father of Bluegrass." But the personal life of this taciturn figure remained largely unknown. Delving into everything from Monroe's professional successes to his bitter rivalries, from his isolated childhood to his reckless womanizing, veteran bluegrass journalist Richard D. Smith has created a three-dimensional portrait of this brilliant, complex, and contradictory man. Featuring over 120 interviews, this scrupulously researched work—a Chicago Tribune Choice Selection, New York Times Notable Book, and Los Angeles Times Best Book of 2000—stands as the authoritative biography of a true giant of American music. Dell

One of NPR's Best Books of 2016, winner of the Shirley Jackson Award, the British

Fantasy Award, the This is Horror Award for Novella of the Year, and a finalist for the Hugo, Nebula, Locus, World Fantasy, and Bram Stoker Awards People move to New York looking for magic and nothing will convince them it isn't there. Charles Thomas Tester hustles to put food on the table, keep the roof over his father's head, from Harlem to Flushing Meadows to Red Hook. He knows what magic a suit can cast, the invisibility a guitar case can provide, and the curse written on his skin that attracts the eye of wealthy white folks and their cops. But when he delivers an occult tome to a reclusive sorceress in the heart of Queens, Tom opens a door to a deeper realm of magic, and earns the attention of things best left sleeping. A storm that might swallow the world is building in Brooklyn. Will Black Tom live to see it break? "LaValle's novella of sorcery and skullduggery in Jazz Age New York is a magnificent example of what weird fiction can and should do." — Laird Barron, author of *The Beautiful Thing That Awaits Us All* "[LaValle]

reinvents outmoded literary conventions, particularly the ghettos of genre and ethnicity that long divided serious literature from popular fiction." — Praise for *The Devil in Silver* from Elizabeth Hand, author of *Radiant Days* "LaValle cleverly subverts Lovecraft's Cthulhu mythos by imbuing a black man with the power to summon the Old Ones, and creates genuine chills with his evocation of the monstrous Sleeping King, an echo of Lovecraft's Dagon... [The Ballad of Black Tom] has a satisfying slingshot ending." — Elizabeth Hand for *Fantasy & ScienceFiction At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.*

The Invisible Life of Addie LaRue
Algonquin Books
Boozing. Womanizing. Brawling. Singing. For the last forty years George Jones has reigned as the country's king--the singer many have called the Frank Sinatra of country. And for most of that

time, his career has been marked by hard-living, hard-loving, and hard luck. From his early east Texas recordings through his marriage with Tammy Wynette to his latest acclaim as a solid citizen and "high-tech red-neck," Americans have been fascinated with Jones, never even knowing whether he's going to show up for his next concert. Now, in *I Lived To Tell It All*, George Jones supplies a no-holds-barred account of his excesses and ecstasies. How alcohol ruled his life and performances. How violence marred many friendships and relationships. How money was something to be made but never held on to. And, finally, how the love of a good woman can ultimately change a man, redeem him, and save his life.

In Close Harmony: the Story of the duncan heaster
Ê Buck 'Em! The
Autobiography of Buck

Owens is the life story of a country music legend. Born in Texas and raised in Arizona Buck eventually found his way to Bakersfield California. Unlike the vast majority of country singers songwriters and musicians who made their fortunes working and living in Nashville the often rebellious and always independent Owens chose to create his own brand of country music some 2 000 miles away from Music City – racking up a remarkable twenty-one number one hits along the way. In the process he helped give birth to a new country sound and did more than any other individual to establish Bakersfield as a country music center. In the latter half of the 1990s Buck began working on his autobiography. Over the next few years he talked into the microphone of a cassette tape machine for nearly one hundred hours recording the story of his life. With his near-photographic memory Buck recalled everything from his early days wearing hand-me-down clothes in Texas to his glory years as the biggest country star of the 1960s; from his legendary Carnegie Hall concert to his multiple failed marriages; from his hilarious exploits on the road to the tragic loss of his musical partner and best friend Don Rich; from his days as the host of a local TV show in Tacoma Washington to his co-hosting the network television show *Hee Haw*; and from his comeback hit *Streets of Bakersfield* to his induction into the Country Music Hall of Fame. In these pages Buck also shows his astute business acumen having been among

the first country artists to create his own music publishing company. He also tells of negotiating the return of all of his Capitol master recordings his acquisition of numerous radio stations and of his conceiving and building the Crystal Palace one of the most venerated musical venues in the country. "Buck 'Em!" is the fascinating story of the life of country superstar Buck Owens – from the back roads of Texas to the streets of Bakersfield.

Ambition will fuel him.

Competition will drive him.

But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a

fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

A James Patterson Presents
Novel From the #1 New
York Times and USA

Today bestselling author of the *Stalking Jack the Ripper* series comes a new blockbuster series... Two sisters. One brutal murder. A quest for vengeance that will unleash Hell itself... And an intoxicating romance.

Emilia and her twin sister Vittoria are streghe -- witches who live secretly among humans, avoiding notice and persecution. One night, Vittoria misses dinner service at the family's renowned Sicilian restaurant. Emilia soon finds the body of her beloved

twin...desecrated beyond belief. Devastated, Emilia sets out to find her sister's killer and to seek vengeance at any cost-even if it means using dark magic that's been long forbidden. Then Emilia meets Wrath, one of the Wicked-princes of Hell she has been warned against in tales since she was a child. Wrath claims to be on Emilia's side, tasked by his master with solving the series of women's murders on the island. But when it comes to the Wicked, nothing is as it seems...

The Starday Story Penguin
Sheila Kay Adams brings us
a novel inspired by the
ballads of the English,
Scottish, and Irish. These
long, sad stories of
heartbreak and betrayal,
violence and love, have been
sung for generations by the
descendents of those who
settled the Appalachian
mountains in the 1700s. As
they raised their children,
they taught them first to
sing, for the songs told the
children everything they
needed to know about life.
So it was with the Stanton
family living in Marshall,
North Carolina, during the

1800s. Even Larkin Stanton,
just a baby when his parents
die and he's taken in by his
cousin Arty, starts humming
before he starts talking. As
he grows up, he hungrily
learns every song he can,
and goes head-to-head with
his cousin Hackley for the
best voice, and, of course,
the best attentions of the
women. It's not long before
the two boys find themselves
pursuing the affections of the
same lovely girl, Mary, who
eventually chooses Hackley
for her husband. But, just as
in the most tragic ballads,
there is no stowing away of
emotions. And when
Hackley leaves his wife
under his cousin's care in the
midst of the Civil War,
Larkin finds himself drawn
back to the woman who's
held his heart for years.
What he does about that
love defies all his learning of

family and loyalty and reminds us that those mournful ballads didn't just come from the imagination, but from the imperfections of the heart.

Buck Owens Univ. Press of Mississippi

At last, the authorized biography of Townes Van Zandt (1944-1997), who wrote such unforgettable songs as

“ Pancho & Lefty ” and “ If I Needed You. ” Born to a wealthy oil family in Ft.

Worth, Texas, hounded by alcoholism and depression, Van Zandt pursued a nomadic existence following his muse, whatever the cost to himself, friends, and relatives. Based on exclusive interviews with those close to Van Zandt, including his best friend Guy Clark and colleagues like Steve Earle and John Prine, *To Live's to Fly* captures all the humor, hijinks, poetry, and heartbreak of this revered, genuinely outlaw country artist.

The Ballad of Black Tom Penguin
UK

A collection of traditional English, Irish, and Scottish songs and folktales, retold in graphic novel form by some of today's top fantasy writers, includes Neil Gaiman's "The False Knight on the Road," Sharyn McCrumb's "Thomas the Rhymer," and Jane Yolen's "King Henry" and "The Great Selchie of Sule Skerrie."
