The Odds Satori

To Write As If Already Dead circles around Kate Zambreno 's failed attempts to write a study of Herv é Guibert 's *To the Friend Who Did Not Save My Life*. In this diaristic, transgressive work, the first in a cycle written in the years preceding his death, Guibert documents with speed and intensity his diagnosis and disintegration from AIDS and elegizes a character based on Michel Foucault. The first half of *To Write As If Already Dead* is a novella in the mode of a detective story, searching after the mysterious disappearance of an online friendship after an intense dialogue on anonymity, names, language, and connection. The second half, a notebook documenting the doubled history of two bodies amid another historical plague, continues the meditation on friendship, solitude, time, mortality, precarity, art, and literature. Throughout this rigorous, mischievous, thrilling not-quite study, Guibert lingers as a ghost companion. Zambreno, who has been pushing the boundaries of literary form for a decade, investigates his methods by adopting them, offering a keen sense of the energy and confessional force of Guibert 's work, an ode to his slippery, scarcely classifiable genre. The book asks, as Foucault once did, “ What is an author? ” Zambreno infuses this question with

new urgency, exploring it through the anxieties of the internet age, the ethics of friendship, and “ the facts of the body ” : illness, pregnancy, and death.

The Force Crown

Instant New York Times Bestseller Best of 2017 - included on best-of lists by the New York Times, NPR, Barnes & Noble, Publisher's Weekly, LitHub, BookPage, Booklist, TheRealBookSpy.com, the Financial Times (UK) and the Daily Mail (UK) “ The Force is mesmerizing, a triumph. Think The Godfather, only with cops. It ’ s that good. ” — Stephen King

The acclaimed, award-winning, bestselling author of *The Cartel*—voted one of the Best Books of the Year by more than sixty publications, including the New York Times—returns with a cinematic epic as explosive, powerful, and unforgettable as *Mystic River* and *The Wire*. Our ends know our beginnings, but the reverse isn ’ t true . . . All Denny Malone wants is to be a good cop. He is “ the King of Manhattan North, ” a, highly decorated NYPD detective sergeant and the real leader of “ Da Force. ” Malone and his crew are the smartest, the toughest, the quickest, the bravest, and the baddest, an elite special unit given unrestricted authority to wage war on gangs, drugs and guns. Every day and every night for the eighteen years he ’ s spent on the Job, Malone has served on the front lines, witnessing the hurt, the dead, the victims, the perps. He ’ s done whatever it takes to serve and protect in a city built by ambition and corruption, where no one is clean—including Malone himself. What only a few know is that Denny Malone is dirty: he and his partners have stolen millions of dollars in drugs and cash in the wake of the biggest heroin bust in the

city ’ s history. Now Malone is caught in a trap and being squeezed by the Feds, and he must walk the thin line between betraying his brothers and partners, the Job, his family, and the woman he loves, trying to survive, body and soul, while the city teeters on the brink of a racial conflagration that could destroy them all. Based on years of research inside the NYPD, this is the great cop novel of our time and a book only Don Winslow could write: a haunting and heartbreaking story of greed and violence, inequality and race, crime and injustice, retribution and redemption that reveals the seemingly insurmountable tensions between the police and the diverse citizens they serve. A searing portrait of a city and a courageous, heroic, and deeply flawed man who stands at the edge of its abyss, *The Force* is a masterpiece of urban living full of shocking and surprising twists, leavened by flashes of dark humor, a morally complex and utterly riveting dissection of modern American society and the controversial issues confronting and dividing us today. "A big, sprawling, ultimately stunning crime

tableau." – Janet Maslin, *New York Times*
"You can't ask for more emotionally moving entertainment." – Stephen King "One of the best thriller writers on the planet." – *Esquire*
The explosive, highly anticipated conclusion to the epic Cartel trilogy from the *New York Times* bestselling author of *The Force* What do you do when there are no borders? When the lines you thought existed simply vanish? How do you plant your feet to make a stand when you no longer know what side you're on? The war has come home. For over forty years, Art Keller has been on the front lines of America's longest conflict: The War on Drugs. His obsession to defeat the world's most powerful, wealthy, and lethal kingpin—the godfather of the Sinaloa Cartel, Adán Barrera—has left him bloody and scarred, cost him the people he loves, even taken a piece of his soul. Now Keller is elevated to the highest ranks of the DEA, only to find that in destroying one monster he has created thirty more that are wreaking even more chaos and suffering in his beloved Mexico. But not just there. Barrera's final legacy is the heroin epidemic scourging America. Throwing himself into the gap to stem the deadly flow, Keller finds himself surrounded by enemies—men who want to kill him, politicians who want to destroy him, and worse, the unimaginable—an incoming administration that's in bed with the very drug traffickers that Keller is trying to bring down. Art Keller is at war with not only the cartels, but with his own government. And the long fight has taught him more than he ever imagined. Now, he learns the final lesson—there are no borders. In a story that moves from deserts of Mexico to Wall Street, from the slums of Guatemala to the marbled corridors of Washington, D.C., Winslow follows a new generation of narcos, the cops who fight them, street traffickers, addicts, politicians, money-launderers, real-estate moguls, and mere children fleeing the violence for the chance of a life in a new country. A shattering tale of vengeance, violence, corruption and justice, this

last novel in Don Winslow's magnificent, award-winning, internationally bestselling trilogy is packed with unforgettable, drawn-from-the-headlines scenes. Shocking in its brutality, raw in its humanity, *The Border* is an unflinching portrait of modern America, a story of—and for—our time.
