Manik and I Penguin UK

In this hard-hitting novel, first published in 1924, the murky personal relationship between an Englishwoman and an Indian doctor mirrors the troubled politics of colonialism. Adela Quested and her fellow British travelers, eager to experience the "real" India, develop a friendship with the urbane Dr. Aziz. While on a group outing, Adela and Dr. Aziz visit the Marabar caves together. As they emerge, Adela accuses the doctor of assaulting her. While Adela never actually claims she was raped, the decisions she makes ostracize her from both her countrymen and the natives, setting off a complex chain of events that forever changes the lives of all involved. This intense and moving story asks the listener serious questions about preconceptions regarding race, sex, religion, and truth. A political and philosophical masterpiece

He was silently managing the crisis in India's banking sector then. Now he shares these stories in his memoir. It began from a modest house in one of the

narrowest lanes of the old city of Meerut. From being a probationary officer in the State Bank of India (SBI) in 1980 to its Chairman in 2017, Rajnish Kumar had an amazingly interesting journey in which he saw the many changes in India's banking sector that greatly impacted the country and its economy. As the Chairman of SBI, Kumar recounts, his term was rather momentous as the period from 2017 to 2020-during which he shouldered this responsibility was rather unique under any circumstances. The Indian banking sector was going through one of its most tumultuous phases. The problem of non-performing loans (NPLs) had severely impacted the balance sheet and profitability of banks, especially those in the public sector. In the aftermath of demonetization, the YES Bank fiasco, the crisis in Jet Airways and NPLs, among others, *The Custodian of Trust* is a candid memoir by the former Chairman of India's largest commercial bank. Anecdotal, engaging and evocative, this book is an unputdownable memoir of a former banker.

Satyajit Ray is India's greatest filmmaker and his importance in the international world of cinema has long been recognised. Darius Cooper's study of Ray is the first to examine his rich and varied work from a social and historical perspective, and to situate it within Indian aesthetics. Providing analyses of selected films, including those that comprise *The Apu Trilogy*, *Chess Players*, and *Jalsaghar*, among others, Cooper outlines Western influences on Ray's work, such as the plight of women functioning within a patriarchal society, Ray's political vision of the 'doubly colonised', and his attack and critique of the Bengali/Indian middle class of today. The most comprehensive treatment of Ray's work, *The Cinema of Satyajit Ray* makes accessible the oeuvre of one of the most prolific and creative filmmakers of the twentieth century.

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

"This is a deeply researched, theoretically sophisticated and organic study. Keya Ganguly's intellectual tour de force in this analysis of the great Indian film maker Satyajit Ray will provide a benchmark for future studies of the subject."--Partha Mitter, author of *The Triumph of Modernism: Indian Artists and the Avant-Garde 1922-1947* "What distinguishes Ganguly's book from the more fashionable approaches to non-Western cinema is her willingness to assert the importance of European theory--specifically, writings on film by Eisenstein, Benjamin, Kracauer, Balázs, among others--as a way to elaborate Satyajit Ray's contributions in the larger postwar context of an international New Wave cinema movement. She does this with extraordinary intelligence and finesse, and the result is an illuminating statement on how a cinema that seems nostalgic for a disappearing cultural past can in fact be read, for the first time perhaps, for its intimations of an as-yet unrealized futurity."--Rey Chow, author of *Sentimental Fabulations, Contemporary Chinese Films*
