A Supplicatory Letter to Lord Viscount Castlereagh, K. G. [on the Bills Introduced Into Parliament for Preventing Seditious Meetings] Zondervan

Reinforced cloth library binding, no dust jacket, individual shrinkwrap

The True Criteria Walter de Gruyter GmbH & Co KG

This book asks the big questions that really make you think about yourself and your place in the world. What is the secret of happiness? Can computers think? What is reality anyway? Stretching your brain and firing your imagination, the bright, dynamic spreads will set your mind racing off along different tangents and into new realms of discovery. From personal questions about thoughts and dreams to the wider questions of life, the universe, and everything, this is a journey like no other.

Healing for the Soul Univ of California Press

The Book of Job has held a central role in defining the project of modernity from the age of Enlightenment until today. The Book of Job: Aesthetics, Ethics and Hermeneutics offers new perspectives on the ways in which Job's response to disaster has become an aesthetic and ethical touchstone for modern reflections on catastrophic events. This volume begins with an exploration of questions such as the tragic and ironic bent of the Book of Job, Job as mourner, and the Joban body in pain, and ends with a consideration of Joban works by notable writers – from Melville and Kafka, through Joseph Roth, Zach, Levin, and Philip Roth.

Setting the standard for a whole new level of study Over 6 million readers have made Zondervan's The NIV Study Bible #1 in the Christian marketplace. Now by special arrangement, this outstanding resource is available from Hendrickson in versatile loose-leaf format. Offering the maximum number of study helps in one place, it features extra wide margins so readers can make their own notes. And because it's a snap to add pages wherever needed-or transfer them to any standard 3- or 5- ring notebook-it's a tremendously versatile tool for teachers and serious students of Scripture.

In this major reference tool, Jessie Payne Smith has abridged the great two-volume work, 'Thesaurus Syriacus,' by her late father. But her task was not to simply edit down the earlier, massive tomes. She also provided English translations for each entry and additional notations. Her father's dictionary had translated each Syriac word into Latin. The Latin translations made it more internationally accessible; but with the decline of the use of Latin, it decreased in usefulness. Her labors have insured that it continues to benefit scholars and students of Syriac.

Between the first and last words of a black gospel song, musical sound acquires spiritual power. During this unfolding, a variety of techniques facilitate musical and physical transformation. The most important of these is a repetitive musical cycle known by names including the run, the drive, the special, and the vamp. Through its combination of reiteration and intensification, the vamp turns song lyrics into something more potent. While many musical traditions use vamps to fill space, or occupy time in preparation for another, more important event, in gospel, vamps are the main event. Why is the vamp so central to the black gospel tradition? What work-musical, cultural, and spiritual-does the gospel vamp do? And what does the vamp reveal about the transformative power of black gospel more broadly? This book explores the vamp's essential place in black gospel song, arguing that these climactic musical cycles turn worship services into transcendent events. A defining feature of contemporary gospel, the vamp links individual performances to their generic contexts. An exemplar of African American musical practice, the vamp connects gospel songs to a venerable lineage of black sacred expression. As it generates emotive and physical intensity, the vamp helps believers access an embodied experience of the invisible, moving between this world and another in their musical practice of faith. The vamp, then, is a musical, cultural, and religious interface, which gives vent to a system of belief, performance, and reception that author Braxton D. Shelley calls the Gospel Imagination. In the Gospel Imagination, the vamp offers proof that musical sound can turn spiritual power into a physical reality-a divine presence in human bodies.

[The Preface Signed: T. C., I.e. Thomas Chevalier.] The Annotated Paragraph Bible NIV Study Bible, Fully Revised Edition Barry Callen is a "church theologian" in the finest sense. In this book he once again brings the commitments nurtured by Pietist, Anabaptist, and Wesleyan theological streams into conversation with the issues and debates in contemporary church life and with the most formative voices in contemporary theology. The result is a convincing reminder that Christian teachings about "ultimate things" (eschatology) are much more concerned with providing hope and direction for living faithfully in our present settings than they are with providing timetables for the future. His exposition of the role of the church and sacrament in nurturing such hope is particularly helpful. Randy L. Maddox, Professor of Wesleyan and Methodist Studies, Duke University Divinity School In a day when fanciful end-times speculations abound, the church does well to give heed to voices that call us back to the fundamentals of biblical eschatology. Barry Callen is such a voice. As he so forcefully declares, rather than focusing on dates and times, God calls us to be "faithful in the meantime." Stanley J. Grenz, Professor Emeritus of Theology, Ethics, Baptist Heritage, Carey Theological College and Regent College The doctrine of last things is important because faith would be empty if it could not hope for the coming of the kingdom of God. What we have in eschatology are not so much secrets about the future as images of God's final purposes which are meant to impact our every action and judgment. Here we have, thanks to Barry Callen, a responsible, informed, interesting, and up-to-date account of our blessed hope. Clark H. Pinnock, Professor Emeritus of Theology, McMaster Divinity College

The Comprehensive Concordance to the Holy Scriptures Zondervan

Kendra Larkin had everything going in the right direction. Her life was seemingly perfect, and she wouldn't have changed a thing about it.

Unfortunately, the course of her life was about to be forever altered. A tragic rappelling accident lands her on Dr. Adam Chamberlain's operating table. She agrees to a deal proposed by a guardian angel to help save the soul of the man who is both her doctor and soulmate. If she is successful, she gets to keep her life. However, she later learns that it isn't just her life that's in jeopardy, but her soul as well. Even with the help of her handsome guardian angel, Rhyann, it seems there is no happy ending in sight. Torn between her newly discovered love of Rhyann, and the undeniable attraction she has for Adam, Kendra finds herself at a crossroad. With Adam's steadfast rejection of God, and his guardian demon conspiring against her, she fears her soul may already be lost. Will she find a way to overcome the evil her life is suddenly burdened with? Or will Adam's guardian demon win both their souls and make Kendra his own personal puppet in Hell?
