A Critical and Exegetical Commentary on the Second Epistle of St. Paul to the Corinthians  
Springer Nature

Everyone, in some way, has been touched by magick. If you have the blood of a spider goddess flowing in your veins, it is a double whammy...and kind of creepy. Katia Montgomery's life is charmed. She is pretty, popular, and dating the star basketball player. So then why is she miserable? There is so much more to Katia than endless parties, expensive clothes, and her social status—she is a nixie. Her world feels inadequate, lonely, and she can't shake the feeling that something or someone is missing. And that might just explain why she is suddenly crushing on the mouthwatering and forbidden Seth Nightingale. Seth has always known that the sassy and spunky Katia is destined to be his—that they are starbound. While she goes through boyfriends like bubble gum, chewing them up and spitting them out, he stands in the shadows, unable to do anything about it, knowing he shouldn't care. Not a damn thing in his power can change their fates, and that...well, really blows, but it doesn't stop him from dreaming about her, craving her, loving her. A dark curse hangs over their heads, one cast centuries before. Now it is up to Seth to be stronger than ever and resist the one girl he can never have...or risk killing them both. But the attraction between them is something neither can ignore. And the curse, it's out for blood—their blood.

For there to be light, you must first suffer the darkness. The end came at me jagged and skewed like puzzle pieces to a game I didn't know I was playing. There was a distinct method to the madness, every move propagated to force my hand, to lure me out of hiding with the sweet promise of finality. I took solace in knowing that something better waited for me on the other side, something as pure and deep as the ocean itself. But there was no end in sight. No peace to be found. The end was only the beginning. INIQUITOUS is the heart-pounding third installment in The Marked saga, a fast-paced YA paranormal romance that grapples with love, loss, and self-discovery in a unique supernatural world filled with vampires, witches, shifters, and angels. This book is part of a series and ends in a cliff-hanger. INFERNAL (The Marked Book 4) will be available this summer 2017.

"My name is Jemma Blackburn, and I have a secret. I know vampires are real. I watched one murder my father eight months ago, and even though they tried to convince me it didn't happen -- that I'd lost touch with reality due to the trauma, I know what I saw was real. Hollow Hills is now the place I call home. It was supposed to be my chance at a normal life. My chance to bury my secret and start over. But everyone around me is keeping their own secrets, whispering lies into my ears like promises, and one of them is about to turn my entire world upside down. I thought I had it all figured out. I thought I had the answers. I thought I knew who I was. The truth is, I didn't even know the half of it. There's a reason these vampires are still after me. There's a reason they will always hunt me. Because I'm not human. I'm the devil they fear and the angel they crave. Only problem is, I don't know it yet..." --Page [4] of cover.

Chase Winters was the bane of my existence. But he was also the lifeline of my heart and soul. Literally. Things were steaming up between us, and between the sheets. When his lips weren't locked with mine, they were spewing verbal crap. Half the time I don't know whether to kiss him or slap him. Our bond was more than just being connected, we were soulbond. The closer we got, the stronger the bond takes hold, and now-a-days it seemed we were inseparable. There was a new addition to our little town, one that has all the Divisa's on guard - a hunter has taken up residency. This hunter was not just another threat, not when their identity hit so close to home. Strife divides my neighbor's household surrounding this supposed enemy. Could they be friend or foe? Chase's number one priority in all this as always, was to keep me safe. Regardless of what Chase thought, I was not the weak and fragile human they all thought I was. And there was nothing I wouldn't do to keep Chase from harm. He might drive me up a freaking wall, but he was my pain in the ass. I wasn't about to sit back and let some hunter fire an arrow through his heart. Not if I could help it. Then there was the one question that was on everyone's mind: Will the hunter kill us or save us...

Inferno of Darkness Spectra

Chase Winters is one of a kind. That doesn't mean he still doesn't get on my nerves more days than not, but his arrogance is starting to be sexy. Together our bond grows stronger, and so do we. Just as we hurdle one obstacle, two or three more pop up. Go figure. It isn't enough that Emma once again hates our guts, now Travis has decided to go all demon-zoid on us. I could hardly blame him though; he had lost the girl of his dreams-again. After everything that we have endured, I am not the same girl anymore. Not since the day I met Chase. The icing on the cake-there is a new player in town, and he is not human. Hell has decided to pay Spring Valley a visit, and Chase and I are their first stop. Our quiet little town was about to shatter. Of course there is also our rare bond to factor into all of this, and the pesky last piece. Or maybe it isn't as pesky as it is combustible. Soul. Heart. Body. Oh dear God?
