One of the most beloved novels of all time, Colleen McCullough's magnificent saga of dreams, struggles, dark passions, and forbidden love in the Australian outback has enthralled readers the world over. The Thorn Birds is a chronicle of three generations of Clearys—an indomitable clan of ranchers carving lives from a beautiful, hard land while contending with the bitterness, frailty, and secrets that penetrate their family. It is a poignant love story, a powerful epic of struggle and sacrifice, a celebration of individuality and spirit. Most of all, it is the story of the Clearys' only daughter, Meggie, and the haunted priest, Father Ralph de Bricassart—and the intense joining of two hearts and souls over a lifetime, a relationship that dangerously oversteps sacred boundaries of ethics and dogma.

Alex Rider is now an IMDb TV/Amazon Original Series! Alex Rider is an orphan turned teen superspy who's saving the world one mission at a time—from #1 New York Times bestselling author! The sniper's bullet nearly killed him. But Alex Rider managed to survive . . . just in time for more trouble to come his way. When kidnappers attempt to snatch a fellow patient from the exclusive hospital where Alex is recovering, he knows he has to stop him. But the boy he saves is no ordinary patient: He is the son of Nikolai Drevin, one of the richest men in the world. The eccentric billionaire has been targeted by Force Three, a group of eco-terrorists who claim his project Ark Angel—the first luxury hotel in outer space—is a danger to the environment. Soon Alex discovers that Force Three will stop at nothing to destroy Ark Angel, even if it means sending four hundred tons of molten glass and steel hurtling down to Earth and killing millions . . . unless Alex can stop them. From the author of Magpie Murders and Moriarty.

A Man Called Ove McGraw Hill Professional

When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves—and having fun with the last person they expect: each other.

The Moronic Inferno HarperCollins

Diego: I've been betrayed, beaten and broken down. In my previous life I was a Detective for the Baton Rouge PD but after being abandoned by my "brothers" on the force, I turned to the only people I had left - the Bayou Devils MC. They welcomed me with open arms and with them, I forged a new kind of brotherhood but I want more. Husband. Father. Those are titles I crave but my dreams of finding love and having a family of my own went up in smoke a long time ago. Until Isabelle Hutton. We've known each other for years but neither one of us was prepared for the attraction that drove us to each other that night. Our connection was all-consuming and the

three days we spent lost in each other only proved one thing - I was never going to get enough of this woman. Izzy: I have one simple rule when it comes to dating - don't get attached. I'm all for having a good time but as soon as a man starts to get close, I'm onto the next. I like my life the way it is. Or, at least, I did before I stumbled into a dark alley and witnessed something I was never supposed to see. Wrong place at the worst possible time. Now, my life is in danger and I only know one person who can help me: Diego. But I've been keeping something from him, something that will turn his entire world upside down. This Ain't Love is the first book in the BDMC: Second Generation series. Although each book could stand alone, I definitely recommend reading them in order as you never know what's going on in the background. Perfect for readers who love sexy, stubborn bikers, steamy romance, heart racing suspense, edge of your seat drama, strong female leads, secret pregnancies and all the feels. If you enjoy books by Marie James, K.E. Osborn, E.C. Land and Jeanne St, James, you will love This Ain't Love.

Bad Boy. Screw-up. Good for nothing. Hero. Angel. These were all words Grayson 'Torren' Trammel had heard whispered behind his back over his lifetime. What he hadn't heard was 'quitter,' and he'd be damned if some little rehab chick, with her beautiful blonde hair, and hot, sassy little mouth was going to label him as such. Tru knows Grayson's not for her. He's too bad. Too hot. Too demanding. Too taken. As she helps Grayson get back into fighting shape after a horrific accident nearly ripped his life away from him, there's just something about him that makes her want more.

Interview with the Vampire Penguin

Luke F**k being good. I won't be tamed. There are three things in life I'm damn good at: f**king, jumping out of planes, and chasing forest fires. Settle down? With someone like Autumn Mayburn? Forget it. She's uptight, smart-mouthed, and hell, she has a kid. She's ten years older than me. There are a million reasons I shouldn't touch her. F**k all of those reasons. The single mama with the smokin' hot body and the sass to match is going to be mine. Autumn I hate bad boys. Especially infuriatingly cocky, womanizing, ooze-sex-from-every-pore bad boys. I'm a mom. A businesswoman. I have responsibilities. The last thing I need is to get played by Luke Saint. He thinks that just because he saved my orchard from a fire, he can tell me how to run it. He thinks he knows what I need, what I crave. The problem is, I think he might be right.

At the age of ten, when Martin Amis spent a year in Princeton, New Jersey, he was excited and frightened by America. As an adult he has approached that confusing country from many arresting angles, and interviewed its literati, filmmakers, thinkers, opinion makers, leaders and crackpots with characteristic discernment and wit. Included in a gallery of Great American Novelists are Norman Mailer, Gore Vidal, Truman Capote, Joseph Heller, William Burroughs, Kurt Vonnegut, John Updike, Paul Theroux, Philip Roth and Saul Bellow. Amis also takes us to Dallas, where presidential candidate Ronald Reagan is attempting to liaise with born-again Christians. We glimpse the beau monde of Palm Beach, where each couple tries to out-Gatsby the other, and examine the case of Claus von Bulow. Steven Spielberg gets a visit, as does Brian de Palma, whom Amis asks why his films make no sense, and Hugh Hefner's sybaritic fortress and sanitised image are penetrated. There can be little that escapes the eye of Martin Amis when his curiosity leads him to a subject, and America has found in him a superlative chronicler.

The Big Burn Harper Collins

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious

motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as The New Yorker pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, Hell's Angels is a gripping portrait, and the best account we have of the truth behind an American legend.

This is the first comprehensive history of films made in or about Iowa. It reflects some twenty years of collecting, lecturing, and talking with some of Iowa's current generation of independent filmmakers. It covers the span from 1918 to 2013 and gives important background information on dozens of high profile films such as the STATE FAIR films of 1933 and 1945, THE BRIDGES OF MADISON COUNTY, FIELD OF DREAMS, and many others. It is designed as a companion for the State Historical Society's blockbuster "Hollywood in the Heartland" exhibition in Des Moines that is scheduled to run at least through 2016. The book has an interpretive essay covering the entire history as well as paragraph length descriptions of each film. A user-friendly feature is the Index of Films, which makes it easy to locate discussions of individual films. Marty Knepper is a featured commentator on video screens in the "Hollywood in the Heartland" exhibition.

The spellbinding classic that started it all, from the #1 New York Times bestselling author "A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire." —Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

When Mackenzie Montgomery's boyfriend dumps her two days before Valentine's Day, she doesn't know what to do. Luckily, her friends talk her into taking her already paid for romantic weekend getaway in Georgia. If anything, she can have a weekend of pampering and relaxation to help mend her broken heart. Her weekend was supposed to be time for her to be by herself, to unwind and decompress after her catastrophic breakup. Although, that isn't what happened -- meeting him wasn't in the plan. Weston Callahan is in Georgia for business and business alone. The only place in town where he's able to get a room is a bed and breakfast full of happy couples celebrating Valentine's Day. Being surrounded by those evidently in love, constantly gushing over one another only brings him pain and anger. All it does is remind him of last year's fiasco, something he'd rather forget. He considered it torture until he met her -- afterwards, it became pure serendipity. One weekend is all they have. Or at least, that's what they originally thought. Fate intervenes, bringing these two star-crossed lovers back together to only reveal how their families have a long lived feud. Everything they thought they knew changes in an instant. Now they have to decide if fate will keep them together, or if their families will tear them apart.
