Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell 's Angels, that is—in this short work of nonfiction. “ California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again. ” Thus begins Hunter S. Thompson 's vivid account of his experiences with California 's most notorious motorcycle gang, the Hell 's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as The New Yorker pointed out, “ For all its uninhibited and sardonic humor, Thompson 's book is a thoughtful piece of work. ” As illuminating now as when originally published in 1967, Hell 's Angels is a gripping portrait, and the best account we have of the truth behind an American legend.

The Thorn Birds Games Workshop

At the age of ten, when Martin Amis spent a year in Princeton, New Jersey, he was excited and frightened by America. As an adult he has approached that confusing country from many arresting angles, and interviewed its literati, filmmakers, thinkers, opinion makers, leaders and crackpots with characteristic discernment and wit. Included in a gallery of Great American Novelists are Norman Mailer, Gore Vidal, Truman Capote, Joseph Heller, William Burroughs, Kurt Vonnegut, John Updike, Paul Theroux, Philip Roth and Saul Bellow. Amis also takes us to Dallas, where presidential candidate Ronald Reagan is attempting to liaise with born-again Christians. We glimpse the beau monde of Palm Beach, where each couple tries to out-Gatsby the other, and examine the case of Claus von Bulow. Steven Spielberg gets a visit, as does Brian de Palma, whom Amis asks why his films make no sense, and Hugh Hefner's sybaritic fortress and sanitised image are penetrated. There can be little that escapes the eye of Martin Amis when his curiosity leads him to a subject, and America has found in him a superlative chronicler.

The Thing Around Your Neck HarperCollins

Sometimes you have to lose everything to find the one person who can save you. Ex-Marine Corps sniper Axe turned his back on everything he loved when he became the Sergeant-at-Arms for the Inferno MC. The fallen hero was determined to drown out the ghosts of war with an unrelenting path of self-destruction. He had no plans to set foot in his hometown of West Bend, Colorado again. Until the Inferno MC betrayed him. Now, there is nowhere left for him to run, except back to his father's ranch. Where he would come face to face with her. She was the last person he ever thought he'd see again, after an unspeakable childhood tragedy ripped them apart. June Barton. She was his first love, but now she's all grown up. The Navy surgeon gave up her scalpel to return home, tired of losing her patients to war. All she wants is peace and quiet, but when Axe shows up, he turns everything upside down. Can two broken and damaged people get a second chance at happiness? And when the Inferno MC commits the ultimate betrayal, will Axe's need for vengeance destroy his soul - or could June be his salvation?

The Wolf of Wall Street Opus Books

She was raised to be chaste and angelic ... even named Purity. To me, she's nothing but sin, a temptress who will bring me to my knees. One touch, and I lose everything. The problem is I don't only want to touch her. I want her underneath me, moaning my name. I want to make every filthy fantasy she's ever had come true. Resisting her is more than I can

do. It's time to make her mine.

Star Wars: Shadow of the Sith Vintage

New York Times bestselling author of the Spenser series of crime thrillers - Book 2 in the series - Appie Knoll is the kind of suburb where kids grow up right. But something is wrong. Fourteen-year-old Kevin Bartlett disappears. Everyone thinks he's run away -- until the comic strip ransom note arrives. It doesn't take Spenser long to get the picture -- an affluent family seething with rage, a desperate boy making strange friends...friends like Vic Harroway, body builder. Mr. Muscle is Spenser's only lead and he isn't talking...except with his fists. But when push comes to shove, when a boy's life is on the line, Spenser can speak that language too. "A brilliant, and cynical, comic tragedy or tragic comedy of manners. Long may Parker wave." -- Los Angeles Times

The #1 New York Times bestseller! “ Witty, wise, and tender. It's a marvel. ” —Paula Hawkins, author of The Girl on the Train and A Slow Fire Burning “ To say I love this book is an understatement. It 's a deep psychological mystery about the power of motherhood, the intensity of teenage love, and the danger of perfection. It moved me to tears. ” —Reese Witherspoon From the bestselling author of Everything I Never Told You and Our Missing Hearts comes a riveting novel that traces the intertwined fates of the picture-perfect Richardson family and the enigmatic mother and daughter who upend their lives. In Shaker Heights, a placid, progressive suburb of Cleveland, everything is planned—from the layout of the winding roads, to the colors of the houses, to the successful lives its residents will go on to lead. And no one embodies this spirit more than Elena Richardson, whose guiding principle is playing by the rules. Enter Mia Warren—an enigmatic artist and single mother—who arrives in this idyllic bubble with her teenaged daughter Pearl, and rents a house from the Richardsons. Soon Mia and Pearl become more than tenants: all four Richardson children are drawn to the mother-daughter pair. But Mia carries with her a mysterious past and a disregard for the status quo that threatens to upend this carefully ordered community. When old family friends of the Richardsons attempt to adopt a Chinese-American baby, a custody battle erupts that dramatically divides the town—and puts Mia and Elena on opposing sides. Suspicious of Mia and her motives, Elena is determined to uncover the secrets in Mia 's past. But her obsession will come at unexpected and devastating costs. Little Fires Everywhere explores the weight of secrets, the nature of art and identity, and the ferocious pull of motherhood—and the danger of believing that following the rules can avert disaster. Naval Science 2 Kensington Publishing Corp.

A New York Times Bestseller Winner of the Chicago Tribune Heartland Prize Winner of the Hillman Prize for Book Journalism Named a best book of the year by: the Los Angeles Times the San Francisco Chronicle the Saint Louis Post-Dispatch the Chicago Tribune the Seattle Times "A stunning look at a problem that has dire consequences for our country. " -New York Post The dramatic story of Methamphetamine as it comes to the American Heartland—a timely, moving, account of one community's attempt to confront the epidemic and see their way to a brighter future. Crystal methamphetamine is widely considered to be the most dangerous drug in the world, and nowhere is that more true than in the small towns of the American heartland. Methland is the story of the drug as it infiltrates the community of Oelwein, Iowa (pop. 6,159), a once-thriving farming and railroad

community. Tracing the connections between the lives touched by meth and the global forces that have set the stage for the epidemic, Methland offers a vital and unique perspective on a pressing contemporary tragedy. Oelwein, Iowa is like thousand of other small towns across the county. It has been left in the dust by the consolidation of the agricultural industry, a depressed local economy and an out-migration of people. If this wasn't enough to deal with, an incredibly cheap, long-lasting, and highly addictive drug has come to town, touching virtually everyone's lives. Journalist Nick Reding reported this story over a period of four years, and he brings us into the heart of the town through an ensemble cast of intimately drawn characters, including: Clay Hallburg, the town doctor, who fights meth even as he struggles with his own alcoholism; Nathan Lein, the town prosecutor, whose case load is filled almost exclusively with meth-related crime, and Jeff Rohrick, who is still trying to kick a meth habit after four years. Methland is a portrait of a community under siege, of the lives the drug has devastated, and of the heroes who continue to fight the war. It will appeal to readers of David Sheff's bestselling Beautiful Boy, and serve as inspiration for those who believe in the power of everyday people to change their world for the better.

The origin story of Dante and his rise from young aspirant to the mighty Chapter Master of the Blood Angels. Dante is Chapter Master of one of the noblest but most troubled Chapters of Space Marines in the Imperium: the Blood Angels. From the time of his birth in the rad-scarred wastes of Baal Secundus, he was destined for glory and strife. From his apotheosis to Scout, to the hive cities of Armageddon and the alien menace of the Cryptas system, Dante has waged war against all the enemies of the Imperium. He has witnessed the divine, and struggled against the darkness within all sons of Sanguinius. Longer lived than any other Chapter Master, this is his chronicle, his great and storied legend.

The Art of Being Human Knopf Canada

Tempest Call me Robin Hood. I'm a grifter. A con artist. I don't just steal from the rich. I take from the worst of the worst, the people who deserve to be hustled. I have two rules - keep moving and never fall in love. I only ever thought about breaking them for one boy. And that boy just walked right back into my life, a ghost from the past. Silas Saint. Now he's a man. Arrogant and sexy as f**k, he's sure as hell not the person I fell in love with, a lifetime ago. But when he touches me, it's enough to make me forget my own name. He makes me want to break all my rules. Silas I've been fighting as long as I could remember. Sh**, I think I came out of the womb swinging. I even tried to go legit until trouble sent me out of Las Vegas and back to West Bend. I never expected a different kind of trouble to come waltzing back into my life, all curves and tattoos and sass. Tempest Wilde. Any idea what "tempest" means? A violent f**cking windstorm. That's s**t I don't need. I loved her once, a lifetime ago. Before I knew better. Love is for suckers, and I'm sure as hell not a sucker. But the way she looks at me? It makes me want to give her everything I have.

"Every day," writes Rabbi Meir Kahane, "the Arabs of Israel move closer to becoming a majority. Are we [Israel] committed to national suicide? Should we allow demography, geography, and democracy to push Israel closer to the abyss? According to Rabbi Kahane, Israel can only be sustained by a permanent Jewish majority and a small, insignificant, and placid Arab minority. But the Arab population continues to grow quantitatively and qualitatively. They feel no ties for a state that breathes Jewishness. They mockingly accept moneys from the National Insurance Institute for medical services, tuition, and social welfare; yet they pay little or no tax. Even worse, they openly vow to destroy the Jewish state - not with bullets or bombs, but with the democratic vote. Is there a solution? Rabbi Kahane insists, "Yes." In this explosive manifesto Rabbi Kahane sets forth the only plan to save Israel. Israeli Arabs would be given the options of accepting noncitizenship, leaving willingly with compensation, or being forcibly expelled without compensation. Controversial? Yes. Could the Arabs be convinced to leave? "We will not come to the Arabs to request, argue, or convince," says Kahane. "For Jews and Arabs in Israel there is only one answer - separation. Jews in their land, Arabs in theirs. Separation. Only separation." They Must Go was written in 1980 while Rabbi Meir Kahane was jailed in Ramle Prison by the Israeli government under an unprecedented administrative detention order that imprisoned him without a trial, without his being informed of any specific charge, and without opportunity to know or to question any alleged evidence or witness. His crime: his philosophy concerning the danger that exists to the state of Israel by the very presence of its large and growing Arab population. Rabbi Kahane's ideas were suppressed, twisted, defamed, and subjected to emotional and hysterical diatribes by people who were too frightened to consider them intelligently or to debate them intellectually. Is there a time bomb ticking away relentlessly in the Holy Land? Can Arabs and Jews ultimately coexist in a Jewish-Zionist state? Rabbi Kahane's only answer: "They Must Go."

Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters.

Winner of the 2011 Empire State History Book Award presented by New York State Archives Partnership Trust *The Man Who Saved New York* offers a portrait of one of New York's most remarkable governors, Hugh L. Carey, with emphasis on his leadership during the fiscal crisis of 1975. In this dramatic and colorful account, Seymour P. Lachman and Robert Polner's examine Carey's youth, military service, and public career against the backdrop of a changing, challenged, and recession-battered city, state, and nation. It was Carey's leadership, Lachman and Polner argue, that helped rescue the city and state from the brink of financial and social ruin. While TV comedians mocked and tabloids shrieked about the Big Apple's rising muggings, its deteriorating public services, and the threats and walkouts by embattled police, firefighters, and teachers, all amid a

brutal recession, Carey and his team managed to hold on and ultimately prevailed, narrowly preventing a huge disruption to the state, national, and global economy. At one point, the city came within a few hours of having to declare itself incapable of paying its debts and obligations, but in the end stability and consensus prevailed, and America's largest city stayed out of bankruptcy court. The center held. Based on extensive interviews with Carey and his family, as well as numerous friends, observers, and former advisors, including Steven Berger, David Burke, John Dyson, Peter Goldmark, Judah Gribetz, Richard Ravitch, and Felix Rohatyn, *The Man Who Saved New York* aims to place Carey and his achievements at the center of the financial maelstrom that met his arrival in Albany. While others were willing to let the city go into default, Carey was strongly opposed, since it would not only affect the state as a whole but would have reverberations both nationally and internationally. In recounting the 1975 rescue of New York City and the aftershocks that nearly sank the state government, Lachman and Polner illuminate the often-volatile interplay among elite New York bankers, hard-nosed municipal union leaders, the press, and influential conservatives and liberals from City Hall to the Albany statehouse to the White House. Although often underappreciated by the public, it was Carey's force of will, wit, intellect, judgment, and experiences that allowed the state to survive this unparalleled ordeal and ultimately to emerge on a stronger footing. Further, Lachman and Polner argue, Carey's accomplishment is worth recalling as a prime example of how governments—local, state, and federal—can work to avoid the renewed threat of bankruptcy that now confronts many overstretched states and localities.

NEW YORK TIMES BESTSELLER • Luke Skywalker and Lando Calrissian return in this essential novel set between Return of the Jedi and The Force Awakens. The Empire is dead. Nearly two decades after the Battle of Endor, the tattered remnants of Palpatine's forces have fled to the farthest reaches of the galaxy. But for the heroes of the New Republic, danger and loss are ever-present companions, even in this newly forged era of peace. Jedi Master Luke Skywalker is haunted by visions of the dark side, foretelling an ominous secret growing somewhere in the depths of space, on a dead world called Exegol. The disturbance in the Force is undeniable . . . and Luke's worst fears are confirmed when his old friend Lando Calrissian comes to him with reports of a new Sith menace. After Lando's daughter was stolen from his arms, he searched the stars for any trace of his lost child. But every new rumor leads only to dead ends and fading hopes—until he crosses paths with Ochi of Bestoon, a Sith assassin tasked with kidnapping a young girl. Ochi's true motives remain shrouded to Luke and Lando. For on a junkyard moon, a mysterious envoy of the Sith Eternal has bequeathed a sacred blade to the assassin, promising that it will answer the questions that have haunted him since the Empire fell. In exchange, he must complete a final mission: Return to Exegol with the key to the Sith's glorious rebirth—Rey, the granddaughter of Darth Sidious himself. As Ochi hunts Rey and her parents to the edge of the galaxy, Luke and Lando race into the mystery of the Sith's lingering shadow and aid a young family running for their lives.
