*Saving Eutychus* is a useful little book for preachers looking for something to assist them in faithfully communicating God's Word in a manner that affects the hearts of their hearers. Though weak in terms of defining the preaching task, its strength lies in the method used by the authors to communicate the message.

**Saving Eutychus How To Preach**

Saving Eutychus will help you save your listeners from such a fate. Written by an Aussie and an Irishman with very different styles who Poor Eutychus might have tumbled off his perch in Acts 20, but it's humbling to notice that what took Paul many hours of preaching to achieve—near-fatal napping in one of his listeners—takes most preachers only a few minutes on a Sunday.

## Good ...

This new book on preaching, *Saving Eutychus*, by an Irishman and an Aussie, Garry Millar and Phil Campbell is breath of fresh air in terms of book on preaching. The authors do not conjure up anything radically new but seek to be faithful and attentive in writing about preaching.

The strength of *Saving Eutychus* is the authors' ability to make a persuasive appeal for expository preaching and then to practically show us how to do it. Millar emphasizes two key elements in his definition of expository preaching: the text and the heart.

## Saving Eutychus: How to Preach God's Word and Keep People ...

Maybe preachers are just as much to blame. So if we're going to "save Eutychus" today, I offer these three parting suggestions: Listeners, don't lose sight of what it is you are hearing - the Word of God! Preachers, don't lose sight of what it is you are preaching - the Word of God! Put bars on the windows.
