Book Review- Saving Eutychus - The Gospel Coalition

Saving Eutychus is a useful little book for preachers looking for something to assist them in faithfully communicating God ' s Word in a manner that affects the hearts of their hearers. Though weak in terms of defining the preaching task, its strength lies in the method used by the authors to communicate the message.

Maybe preachers are just as much to blame. So if we're going to "save Eutychus" today, I offer these three parting suggestions: Listeners, don't lose sight of what it is you are hearing - the Word of God! Preachers, don't lose sight of what it is you are preaching - the Word of God! Put bars on the windows.
