The Saxon Algebra 1 Solutions Manual provides answers for all the daily lessons - "problem sets" - with problems worked out but does not have the test solutions. I purchased both the large Solutions Manual as well as the Homeschool Packet (for test answers) in addition

to the text.

Very disappointed!  
Product Descriptions  
states that this  
book contains tests  
and answer key. This  
book only contains  
test answers and  
answers to the  
problem sets.

Problem set answers  
are already  
explained in the  
Saxon Algebra 1  
solutions manual  
which shows the  
process of how the  
problems are solved.  
Now, I have to order  
the tests separate.
