I do wish that Saxon had to try a bit harder to get her as it seemed to not last long. I love the suspense of will they, wont they but it sort of didn't take long for her defenses to come down and for her to let him in. It was enjoyable to read and i am looking forward to reading more from Chantal Fernando.

She's the friend that gets you into trouble when you go out, & Saxon has his sights on her. These 2 have a chemistry that will set your Kindle on freaking fire. The push and pull that goes on between these 2 is epic. Chantal Fernando has made my heart swoon and I couldn't be more excited about this book.
