Algebra 2 Saxon Pub

Introduces basic topics in algebra, continues the study of geometry concepts begun in Algebra 1/2, and teaches the fundamental aspects of problem solving.

Homeschool Packet Saxon Pub

This chart is designed to help you be more consistent in disciplining your children. When children disobey, this chart helps parents know what to do and helps children know what to expect. The first column lists common areas of misbehavior (arguing, complaining, hitting, defiance, etc.), each illustrated with a simple cartoon. The center column gives a Bible verse relating to each sin. The third column is blank, for you to complete with the agreed-upon consequences for each misbehavior. The instructions offer suggestions, but you choose your own disciplinary actions. You can cut out the pre-lettered consequences and glue them onto the chart, or write in your own.

7/6 Saxon Pub

Algebra 1 covers all the topics in a first-year algebra course and builds the algebraic foundation essential for all students to solve increasingly complex problems. Higher order thinking skills use real-world applications, reasoning and justification to make connections to math strands. Algebra 1 focuses on algebraic thinking and multiple representations -- verbal, numeric, symbolic, and graphical. Graphing calculator labs model mathematical situations. - Publisher.
