This book is a MUST READ for anyone who has lost a loved one or is seeking an honest story about what it is like to traverse the journey of grief. Jean's powerfully candid story is rich, insightful, and illuminates a truth in all our lives that is sadly unnoticed and often silenced. Juli Fraga, Psy.D., Licensed Psychologist A mother grasps her dying sons hand, struggling how to let go and aghast at what life will become after his death. The Last Tear is the harrowing true story of my only child James, a dynamic 17 year old who was diagnosed in 2008 with an extremely rare form of cancer, dying eleven months later on the eve of Mothers Day. Rather than allowing cancer to define his days James became even more focused on school, college applications and his future, inspiring not only his peers but the larger community including President Obama. My crippling sorrow that paralyzed for years is shared with candor and will touch anyone who has struggled with excruciating grief. Poignant

and at times difficult, The Last Tear eventually uplifts as it transcends a tale of cancer and death to embrace the larger canvas of how to live authentically with sorrow as a new companion.

Now includes a new essay, "Naked Childhood," about Kushner's family, their converted school bus, and the Summers of Love in Oregon and San Francisco! "The Hard Crowd is wild, wide-

ranging, and unsparingly intelligent throughout." —Taylor Antrim, Vogue From a writer celebrated for her "chops, ambition, and killer instinct" (John Powers, *Fresh Air*), a career-spanning collection of spectacular essays about politics and culture. Rachel Kushner has established herself as "the most vital and interesting American novelist working today" (*The Millions*) and as a master of the essay form. In *The Hard Crowd*, she gathers a selection of her writing from over the course of the last twenty years that addresses the most pressing political,

artistic, and cultural issues of our times—and illuminates the themes and real-life experiences that inform her fiction. In twenty razor-sharp essays, *The Hard Crowd* spans literary journalism, memoir, cultural criticism, and writing about art and literature, including pieces on Jeff Koons, Denis Johnson, and Marguerite Duras. Kushner takes us on a journey through a Palestinian refugee camp, an illegal motorcycle race down the Baja Peninsula, 1970s wildcat strikes in Fiat factories, her love of classic cars, and her young life in the music scene of her hometown, San Francisco. The closing, eponymous essay is her manifesto on nostalgia, doom, and writing. These pieces, new and old, are electric, vivid, and wry, and they provide an opportunity to witness the evolution and range of one of our most dazzling and fearless writers. "Kushner writes with startling detail, imagination, and gallows humor," said Leah Greenblatt in *Entertainment Weekly*, and, from Paula McLain in the *Wall Street Journal*: "The authority and precision of Kushner's writing is impressive, but it's the gorgeous ferocity

that will stick with me.”

Super Sad True Love Story Macmillan
In this New York Times Notable Book, an award-winning writer undertakes his own investigation into the murder of a Guatemalan bishop. Named a Best Book of the Year by the Washington Post Book World, the Chicago Tribune, the Economist, and the San Francisco Chronicle Two days after releasing a groundbreaking church-

sponsored report implicating the military in the murders and disappearances of some two hundred thousand Guatemalan civilians, Bishop Juan Gerardi was bludgeoned to death in his garage. Gerardi was the country’s leading human rights activist, but the Church quickly realized it could not rely on police investigators or the legal system to solve the crime. Instead, Church leaders formed their own investigative team: a group of secular young men who called themselves Los Intocables—the Untouchables. Author Francisco Goldman spoke to witnesses no other reporter was able to reach, observing firsthand some of the most crucial developments in this

sensational case.

Documenting the Latin American reality of mara youth gangs and organized crime, *The Art of Political Murder* tells the incredible true story of Los Intocables and their remarkable fight for justice. “Becoming by turns a little bit Columbo, Jason Bourne and Seymour Hersh, Goldman gives us the anatomy of a crime while opening a window to a misunderstood neighboring country that is flirting with anarchy.”

For nearly five decades, Colombia has been embroiled in internal armed conflict among guerrilla groups, paramilitary militias, and the country’s own

military. Civilians in Colombia have to make their lives despite the threat of torture, kidnapping, and large-scale massacres—and more than four million have had to flee their homes. The oral histories in *Throwing Stones at the Moon* describe the most widespread of Colombia’s human rights crises: forced displacement. Speakers recount life before displacement, the reasons for their flight, and their struggle to rebuild their lives. Among the narrators: JULIA, a hospital union leader whose fight against corruption led to a brutal attempt on her life. In 2009, assassins tracked her

to her home and stabbed her seven times in the face and chest. Since the attack, Julia has undergone eight facial reconstructive surgeries, and continues to live in hiding. DANNY, who at eighteen joined a right-wing paramilitary 's enormous training camp in the Eastern Plains of Colombia. Initially lured by the promise of quick money, Danny soon realized his mistake and escaped to Ecuador. He describes his harrowing escape and his struggle to survive as a refugee with two young children to support. My Colombian War Grove/Atlantic, Inc. Shares a personal story about pain and

loss, as Monica Wesolowska gives birth to a healthy-seeming baby boy until the doctors give her son a grim prognosis. The story that follows is not a story of typical maternal heroism. There is no medical miracle here. Instead, we find the strangest of hopes. Certain of her choice, Monica must still ask herself at every step if she is loving Silvan as well as a mother can. The result is a page-turning testimony to the power of love. Man Gone Down Penguin Anarchist, journalist, drama critic, advocate of birth control and free love, Emma Goldman was the most

famous—and notorious—woman in the early twentieth century. This abridged version of her two-volume autobiography takes her from her birthplace in czarist Russia to the socialist enclaves of Manhattan's Lower East Side. Against a dramatic backdrop of political argument, show trials, imprisonment, and tempestuous romances, Goldman chronicles the epoch that she helped shape: the reform movements of the Progressive Era, the early years of and later disillusionment with Lenin's Bolshevik experiment, and more. Sounding a call still heard today, *Living My*

Life is a riveting account of political ferment and ideological turbulence. First time in Penguin Classics Condensed to half the length of Goldman's original work, this edition is accessible to those interested in the activist and her extraordinary era

Helen Moran is thirty-two years old, single, childless, college-educated, and partially employed as a guardian of troubled young people in New York. She's accepting a delivery from IKEA in her shared studio apartment when her uncle calls to break the news: Helen's adoptive brother is dead. According to the internet, there are six possible reasons why her brother might have killed himself. But Helen knows better: she knows that six

reasons is only shorthand for the abyss. Helen also knows that she alone is qualified to launch a serious investigation into his death, so she purchases a one-way ticket to Milwaukee. There, as she searches her childhood home and attempts to uncover why someone would choose to die, she will face her estranged family, her brother's few friends, and the overzealous grief counselor, Chad Lambo; she may also discover what it truly means to be alive. A bleakly comic tour de force that's by turns poignant, uproariously funny, and viscerally unsettling, this debut novel has shades of Bernhard, Beckett and Bowles—and it announces the singular voice of Patty Yumi Cottrell.

Living My Life Penguin

“One of the most amusing and poignant anti-heroes since Gunter Grass's *The Tin Drum*”

lives up to his misfit heritage in this ribald debut (*Spike Magazine*). Ask Rovar Ákos Pfliegman about himself and he'll say: “I have no life. I have no known relatives, no known friends. I'm barely human. I'm a hairy little Hungarian pulp. I am a sorry gathering of organs. That is all.” But there is more to Rovar than meets the eye. He has a pet beetle named Mrs. Kipner, he is a butcher plagued by rare ailments, he sells meat out of a broken-down bus next to a river in suburban Virginia, and he is the last of the Pfliegman line, a not-too-bright pagan clan that reaches back to pre-medieval Hungary. He also believes he'll fulfill the ignoble destiny of inbred self-destruction

that has wiped out all Pfliegmans before him. But against all odds, and the cruel laws of nature, this unlikely loner, seller of fresh mutton at unbeatable prices, unloved lover, and historian of the unimportant is still capable of being reborn in the most extraordinary way. “ Innocent and wise, grave and hilarious, bleak and hopeful, fast-paced and meditative, heartbreaking and heart healthy, evanescent and concrete ” (Heidi Julavits), *The Convalescent* “ nods to all sorts of greats—Kafka, Rushdie, Darwin and Grass, to name a few. But Anthony ’ s style—funny, immediate and unapologetically cerebral—carves out a space all its own ” (Publishers Weekly,

starred review). *Paris Without Her* Simon and Schuster A devout woman finds herself adrift in late 19th century Central America in this novel of “ deep imagination, stylistic verve, and psychological acuity ” (The Washington Post). Set in late nineteenth century Central America and New York City, *The Divine Husband* tells the story of Mar í a de las Nieves Moran, whose brief career as a nun is ended in the wake of revolution. Forced to make her way in the secular world, Mar í a is surrounded by an unforgettable cast of characters: Jos é Mart í , the poet and hero of Cuban independence and the first man Mar í a loves; Mack Chinchilla, the Yankee-Indio entrepreneur intent on winning her hand; a British diplomat setting up a political impostor plot; and Mathilde, the daughter

whose birth—perhaps fathered by one of these men—ruins Mar í a ’ s reputation and launches her on a journey toward a new future. This joyfully imagined novel of ideas is populated by Indian girls, wandering Jewish coffee farmers, the founder of the rubber-balloon industry, and one of Latin America ’ s greatest and most complex men. The Divine Husband is a sweeping, poetic novel rich in historical detail and vivid characterization. “ Goldman echoes Flaubert, Garc í a Marquez, and even DeLillo. ” —Bookforum

Say Her Name
McSweeney's

The author of Say Her Name shares a deeply personal memoir of grieving the loss of his wife—and confronting the troubled city where she grew up. Five years after his wife ’ s untimely death, Francisco Goldman decided to overcome his fear of driving in Mexico City. The widower and award-winning writer wanted to symbolize his love and enduring grief by fully embracing his late wife ’ s childhood home and the city that came to mean so much to them. The Interior Circuit is Goldman ’ s chronicle of his personal and political awakening to the nuances of this unique city as he learns to navigate the “ circuito interior, ” a network of highway-like roads that crisscross the traffic-plagued city. Many regard Mexico ’ s capital—then known as the “ DF ” or Distrito Federal—as a haven from the many social ills and violence that wracks the rest of the country. Goldman ’ s account reveals the more complicated truth. As Mexico ’ s narco war raged on and the Institutional Revolutionary Party (the PRI) returned to power in the summer 2012 elections, the DF ’ s special apartness came under threat. When

organized crime – related violence and death erupt in the summer of 2013, Goldman sets out to try to understand the new challenges facing the city. Part travelogue, part memoir, and part political reportage, *The Interior Circuit* “is so sneakily brilliant it’s hard to put into words. . . . It is also, in the finest sense, a book that creates its own form” (Los Angeles Times).

In defiance of the brutal military government that took power in Uruguay in the 1970s, and under which homosexuality is a dangerous transgression, five women miraculously find one another—and, together, an isolated cape that they claim as their own. Over the next thirty-five years, they travel back and forth from this secret sanctuary, sometimes together, sometimes in pairs, with lovers in tow or

alone. Throughout it all, they will be tested repeatedly—by their families, lovers, society, and one another—as they fight to live authentic lives. A groundbreaking, genre-defining work, Cantoras is a breathtaking portrait of queer love, community, forgotten history, and the strength of the human spirit.

By the author of *The Long Night of the White Chickens: A novel of the perils, passions, and misadventures of a young Nicaraguan sailor trapped in Brooklyn*. Named a Best Book of the Year by *Newsday*, the *Los Angeles Times Book Review*, the *Chicago Tribune*, the *St. Louis Post-Dispatch*, and

Publishers Weekly At nineteen, Esteban Gaitan is already a veteran of war. A Sandinista soldier and an avowed communist, Esteban leaves Nicaragua to begin a new life in America. It ' s the late 1980s when he, along with fourteen other men, arrive to form the crew of the *Urus*, a ship docked on a desolate Brooklyn pier. Elias and Mark, the owners of the *Urus*, hold the men captive, forcing them to work in a vain attempt to make the rotting vessel seaworthy. Without the means to return home, Esteban remains a virtual prisoner, haunted by the loss of the woman he loved during the war. Eventually, he sneaks off the ship, making nocturnal forays into Brooklyn, where he meets Joaquina, a Mexican immigrant who works as a manicurist, and begins to plot his permanent escape. Centering his novel around Esteban, but also telling the stories of his fellow landlocked sailors, Francisco Goldman proves once again that he is “ a major talent of great style and soul ” (The Miami Herald). “ Often very funny . . . Here, a corner of Brooklyn becomes the exotic and foreign experience, and through Esteban ' s eyes it is as mysterious and alluring as Tangiers. ” —The Dallas Morning

The Last Tear National Geographic Books

In *See Now Then*, the brilliant and evocative new novel from Jamaica Kincaid—her first in ten years—a marriage is revealed in all its joys and agonies. This piercing examination of the manifold ways in which the

passing of time operates on the human consciousness unfolds gracefully, and Kincaid inhabits each of her characters—a mother, a father, and their two children, living in a small village in New England—as they move, in their own minds, between the present, the past, and the future: for, as she writes, "the present will be now then and the past is now then and the future will be a now then." Her characters, constrained by the world, despair in their domestic situations. But their minds wander, trying to make linear sense of what is, in fact, nonlinear. *See Now Then* is Kincaid's attempt to make clear what is unclear, and to make unclear what we assumed was clear: that is, the beginning, the middle, and the end. Since the publication of her first short-story collection, *At the Bottom of the River*, which was nominated for a

PEN/Faulkner Award for Fiction, Kincaid has demonstrated a unique talent for seeing beyond and through the surface of things. In *See Now Then*, she envelops the reader in a world that is both familiar and startling—creating her most emotionally and thematically daring work yet.

Mona Farrar, Straus and Giroux

"Both a wicked satire of the literary *é*lite and an exploration of art and violence . . .

Terrifying, brilliant, and dangerous." —*The New Yorker* Mona, a Peruvian writer based in California, presents a tough and sardonic exterior. She likes drugs and cigarettes, and when she learns that she is something of an anthropological curiosity—a woman

writer of color treasured at her university for the flourish of rarefied diversity she brings—she pokes fun at American academic culture and its fixation on identity. When she is nominated for “the most important literary award in Europe,” Mona sees a chance to escape her downward spiral of sunlit substance abuse and erotic distraction, so she trades the temptations of California for a small, gray village in Sweden, close to the Arctic Circle. Now she is stuck in the company of all her jet-lagged—and mostly male—competitors, arriving from Japan,

France, Armenia, Iran, and Colombia. Isolated as they are, the writers do what writers do: exchange compliments, nurse envy and private resentments, stab rivals in the back, and hop in bed together. All the while, Mona keeps stumbling across the mysterious traces of a violence she cannot explain. As her adventures in Scandinavia unfold, Mona finds that she has not so much escaped her demons as locked herself up with them in the middle of nowhere. In *Mona, Pola Oloixarac* paints a hypnotic, scabrous, and ultimately jaw-dropping portrait of a woman facing down a hipster elite to which she does

and does not belong. A survivor of both patronization and bizarre sexual encounters, *Mona* is a new kind of feminist. But her past won't stay past, and strange forces are working to deliver her the test of a lifetime.

Vulture A literary triumph about Russia, family, love, and loyalty—from a founding editor of *n+1* and the author of *Raising Raffi*. When Andrei Kaplan's older brother Dima insists that Andrei return to Moscow to care for their ailing grandmother, Andrei must take stock of his life in New York. His girlfriend has stopped returning his text messages. His dissertation adviser is dubious about his job prospects. It's the summer of 2008, and his bank account is running dangerously low. Perhaps a few months in Moscow are just what he needs. So Andrei sublets his room in Brooklyn, packs up his hockey stuff, and moves into the apartment that Stalin himself had given his grandmother, a woman who has outlived her husband and most of her friends. She survived the dark days of communism and witnessed Russia's violent capitalist transformation, during which she lost her beloved dacha. She welcomes Andrei into her home, even if she can't always remember who he is. Andrei learns to navigate Putin's Moscow, still the city of his birth, but with more expensive coffee. He looks after his elderly—but surprisingly sharp!—grandmother, finds a place to play hockey, a café to send emails, and eventually some friends, including a beautiful young activist named Yulia. Over the course of the year, his grandmother's health declines and his feelings of dislocation from both Russia and America deepen. Andrei knows he must reckon with his future and make choices that will determine his life and fate. When he becomes entangled with a group of leftists, Andrei's politics and his allegiances are tested, and he is forced to come to terms with the

Russian society he was born into and the American one he has enjoyed since he was a kid. A wise, sensitive novel about Russia, exile, family, love, history and fate, *A Terrible County* asks what you owe the place you were born, and what it owes you.

Writing with grace and humor, Keith Gessen gives us a brilliant and mature novel that is sure to mark him as one of the most talented novelists of his generation.
