This Say Her Name Francisco Goldman, as one of the most effective sellers here will categorically be along with the best options to review.

## Monkey Boy Hogarth

One of the great comic epics of our time: the Last Jewish Novel about the Last Jew in the World. On Christmas Eve 1999, all the Jews in the world die in a strange, millennial plague, with the exception of the firstborn males, who are soon adopted by a cabal of powerful people in the American government. By the following Passover, however, only one is still alive: Benjamin Israelien; a kindly, innocent, ignorant man-child. As he finds himself transformed into an international superstar, Jewishness becomes all the rage: matzo-ball soup is in every bowl, sidelocks are hip; and the only truly Jewish Jew left is increasingly stigmatized for not being religious. Since his very existence exposes the illegitimacy of the newly converted, Israelien becomes the object of a worldwide hunt . . . Meanwhile, in the not-too-distant future of our own, “real” world, another last Jew—the last living Holocaust survivor—sits alone in a snowbound Manhattan, providing a final melancholy witness to his experiences in the form of the punch lines to half-remembered jokes.

## A Happy Marriage Grove Press

Francisco Goldman's widely-acclaimed retelling of the Bishop Gerardi murder case, now reissued with a new epilogue marking the release of George Clooney's production of the HBO documentary film based on Goldman's account. Known in Guatemala as "The Crime of the Century," the Bishop Gerardi murder case, with its unexpectedly outlandish scenarios and sensational developments, confounded observers and generated extraordinary controversy. When it was first published, The Art of Political Murder exposed a cover-up of the crime and helped change Guatemala's destiny as it emerged from decades of civil war. In the years since, major players in the case have been imprisoned, including the president of Guatemala, and one of the key suspects was murdered while in prison, along with thirteen others. Now reissued with a new epilogue to account for these recent events and their far-reaching repercussions, this is an

unmissable new edition of this "extremely important book." (Salman Rushdie).

At Night We Walk in Circles Schiffer Publishing

The Pulitzer Prize – finalist ’ s intimate autobiographical novel of a marriage cut tragically short is “ a beautiful love story, and an extraordinary story of loss ” (Colm T ó ib í n). In 2005, celebrated novelist Francisco Goldman married Aura Estrada. The two were deeply in love, and Aura was a gifted young writer on the cusp of her own brilliant career. But while on vacation only a month before their second anniversary, Aura died in a tragic accident. In Say Her Name, Goldman pours his feelings of love and unspeakable grief into a fictionalized account of their brief time together. Desperate to keep Aura alive in his memory, Goldman collects everything he can about her, delving deeply into the writings she left behind. From her childhood and university days in Mexico City to her studies at Columbia University, through the couple ’ s time in New York City and travels to Europe, Goldman composes a vivid and multifaceted portrait. Filled with “ propulsive drama ” (The Boston Globe), Say Her Name is a tribute to who Aura Estrada was and who she would ’ ve been, that “ will also transport you into the most primal joy in the human repertoire—the joy of loving—and reveal it with aching vibrancy ” (San Francisco Chronicle).

Conditions of Love BenBella Books, Inc.

The day her fiancé died suddenly of a heart attack, Katie Swenson retreated to "Bohemia," the third-floor loft that the couple had renovated in their home in Wellesley, Massachusetts, and began to write. A visceral account of grief and the profound kindness that resonates around it, this is also the story of her hundred-year-old house, named the "Scarab" after the Egyptian symbol for rebirth, and the two courageous women who built it a century earlier--Wellesley College professors Katharine Coman and her partner Katharine Lee Bates, author of "America the Beautiful." Parallel lives unfold in the magical third-floor loft, where Coman died, where Bates mourned, and where Swenson wrote and wrote through that first searing year, held up by their spirits. Told with rare emotional power, In Bohemia is a meditation on love, family, and community and inspires us to be our best selves.

Say Her Name Random House

America seen through the eyes of the huddled masses. The hero is Estaban, one of a group of Central Americans brought to New York to crew a tramp ship, only to be abandoned by the ship's owners. When their food runs out Estaban, a former Nicaraguan guerrilla, goes ashore to steal for them. His forays lead him to a Latino neighborhood where he finds work and love. By the author of The Long Night of the White Chickens.

The Interior Circuit Penguin

This book is a MUST READ for anyone who has lost a loved one or is seeking an honest story about what it is like to traverse the journey

of grief. Jean's powerfully candid story is rich, insightful, and illuminates a truth in all our lives that is sadly unnoticed and often silenced. Juli Fraga, Psy.D., Licensed Psychologist A mother grasps her dying sons hand, struggling how to let go and aghast at what life will become after his death. The Last Tear is the harrowing true story of my only child James, a dynamic 17 year old who was diagnosed in 2008 with an extremely rare form of cancer, dying eleven months later on the eve of Mothers Day. Rather than allowing cancer to define his days James became even more focused on school, college applications and his future, inspiring not only his peers but the larger community including President Obama. My crippling sorrow that paralyzed for years is shared with candor and will touch anyone who has struggled with excruciating grief. Poignant and at times difficult, The Last Tear eventually uplifts as it transcends a tale of cancer and death to embrace the larger canvas of how to live authentically with sorrow as a new companion.

Mona Penguin

A Happy Marriage is both intimate and expansive: It is the story of Enrique Sabas and his wife, Margaret, a novel that alternates between the romantic misadventures of the first weeks of their courtship and the final months of Margaret's life as she says good-bye to her family, friends, and children -- and to Enrique. Spanning thirty years, this achingly honest story is about what it means for two people to spend a lifetime together -- and what makes a happy marriage. Yglesias's career as a novelist began in 1970 when he wrote an autobiographical novel at sixteen, hailed by critics for its stunning and revelatory depiction of adolescence. A Happy Marriage, his first work of fiction in thirteen years, was inspired by his relationship with his wife, Margaret, who died in 2004. Bold, elegiac, and emotionally suspenseful, even though we know what happens, Yglesias's beautiful novel will break every reader's heart -- while encouraging all of us with its clear-eyed evocation of the enduring value of marriage.

The Dead Do Not Improve Xlibris Corporation

In a novel based on the author's real-life tragedy, Goldman, consumed with grief and guilt over the accidental death of his wife just before their second anniversary, obsessively collects every memory of her, especially her writings, with the hope of keeping her alive in his mind.

My Colombian War Macmillan

What does it really mean to love another person? Is there such a thing as the 'perfect' partner? How does infatuation differ from the real thing? The need to love is central to our idea of happiness, yet it sometimes seems that the more we reflect on it the more elusive it becomes. In this lucid and graceful meditation on the deeper meanings of intimacy, John Armstrong

explores the ideas that have shaped how we view affairs of the heart. Drawing on poetry, novels, philosophy, paintings and music, he shows how love is inextricably bound up with perception and the imagination: that loving a real, complicated person and being understood and valued by them in turn is not something we find, but rather something we create.

Atmospheric Disturbances Catapult

At once a moving love story, a dark comedy, a psychological thriller, and a deeply disturbing portrait of a fracturing mind, this highly inventive debut explores the mysterious nature of human relationships.

Your Voice in My Head Knopf

"After a fourteen-year estrangement, Maria Venegas returns to Mexico from the United States to visit her father, who is living in the old hacienda where both he and she were born. While spending the following summers and holidays together, herding cattle and fixing barbed-wire fences, he begins sharing stories with her, tales of a dramatic life filled with both intense love and brutal violence--from the final conversations he had with his own father, to his extradition from the United States for murder, to his mother's pride after he shot a man for the first time at the age of twelve"--Amazon.com.

So Far From God Penguin

Hailed as The Atlantic's 2012's novel to anticipate, this glorious debut stars hippie detectives, a singular city, and an MFA student on the run. On a residential Bay Area block struggling with the collision of gentrifier condos and longtime residents, stymied recent MFA grad Philip Kim is sleeping the night away when bullets fly through a window in his apartment building and end up killing one of his neighbors. Philip only learns about the murder the next day when bored and Googling himself. But when he gets caught up in the investigation and becomes the focus of an elaborate, violent scheme, he will learn far more than he ever wanted to about his former four-eggs-at-a-time borrowing neighbor Dolores Stone, aka "The Grey Beaver," and her shocking connections to an underworld only a city like this one could create. Siddhartha "Sid" Finch, a homicide detective bitter about everything except his gorgeous wife, and his phlegmatic, pock-marked partner Jim Kim, land the case. Sid and Jim race after Philip through a menacing, unknowable San Francisco fending off militant surfers, vaguely European cafes, and aggressive Advanced Creative Writing students as they all try to figure out just who's causing trouble in this city they love to hate. Exceedingly unique, pulsing with vigor and heart, and loaded with fierce, fresh language, The Dead Do Not Improve confirms Jay Caspian Kang as a true American original as obsessed with surfing and surviving as with the power of unforgettable storytelling.

Say Her Name Grove Press

It is the story of Roger Graetz, raised in a Boston suburb by an aristocratic Guatemalan mother, and his relationship with Flor de Mayo, the beautiful young Guatemalan orphan sent by his grandmother to live with family as a maid.

**Man Gone Down** Grove/Atlantic, Inc.

A NEW YORK TIMES BESTSELLER "Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful." --Washington Post Universally acclaimed, rapturously reviewed, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir "gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). Her story of trauma and transcendence illuminates a culture biased to protect perpetrators, indicting a criminal justice system designed to fail the most vulnerable, and, ultimately, shining with the courage required to move through suffering and live a full and beautiful life. Know My Name will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. Entwining pain, resilience, and humor, this memoir will stand as a modern classic.

Witz (American Literature Series) Little, Brown

This book is not about O.J. Simpson or his "Dream Team." This book is not another rehash of the "Trial of the Century." It is about Ron Golman and his blended family. Overnight and through tragedy, this quiet, closely knit family became enmeshed in one of the ugliest and most controversial crimes in recent history. The Goldmans provide a wrenching account, in their own words, of the ripple effect that occurs when a beloved family member is murdered, and the extra burdens that develop when grief becomes a public spectacle. But, more important, the family puts a name, a face, a soul, to the young man referred to in the press only as "a friend of..." or "a part-time waiter and sometime model." The Goldmans are a family with whom all of us can identify. They share memories of happier times and recount, moment by moment, learning of Ron's untimely death and the nightmare that followed. They share their reactions throughout the criminal trial up to and including the heart-stopping verdict. And they reveal the details of the civil trial that were never before allowed to be made public, due to the gag order imposed on all participants. And finally, they reveal their determination to bring much-needed reforms to the criminal justice system and to give voices to other victims of violent crimes. Much of what Ron's family has to say will surprise you... will enrage you... And most of all will break your heart.

**Ways to Disappear** Macmillan

In this moving, tender memoir of losing a beloved spouse, the longtime editor of Texas Monthly, newly widowed, returns alone to a city whose enchantment he's only ever shared with his wife, in search of solace, memories, and the courage to find a way forward. At the age of sixty-six, after thirty-five years of marriage, Gregory Curtis finds himself a widower. Tracy--with

whom he fell in love the first time he saw her--has succumbed to a long battle with cancer. Paralyzed by grief, agonized by social interaction, Curtis turns to watching magic lessons on DVD--"a pathetic, almost comical substitute" for his evenings with Tracy. To break the spell, he returns to the place he had the "best and happiest times" of his life. As he navigates the storied city and contemplates his new future, Curtis relives his days in Paris with Tracy, piecing together the portrait of a woman, a marriage, parenthood, and his life's great love through the memories of six unforgettable trips to the City of Lights. Alone in Paris, Curtis becomes a tireless wanderer, exploring the city's grand boulevards and forgotten corners as he confronts the bewildering emotional state that ensues after losing a life partner. Paris Without Her is a work of tremendous courage and insight--an ode to the lovely woman who was his wife, to a magnificent city, and to the self we might invent, and reinvent, there.

*Bulletproof Vest* Grove/Atlantic, Inc.

"This feels like an Ian McEwan novel. Served on a bed of Cheever. I can't offer higher praise than that. But written by a woman. Which is even better."-- Elizabeth Gilbert Spanning the course of a single summer, *Private Means* is acclaimed memoirist Cree LeFavour's sumptuous fiction debut--a sharply observed comedy of manners and a moving meditation on marriage, money, and loss. A deliciously compulsive first novel from New York Times Editor's Choice author of *Lights On*, *Rats Out*, Cree LeFavour's *Private Means* captures the very essence of summer in a sharply observed, moving meditation on marriage, money, and loss. It's Memorial Day weekend and Alice's beloved dog Maebelle has been lost. Alice stays in New York, desperate to find her dog, while her husband Peter drives north to stay with friends in the Berkshires. Relieved to be alone, Alice isn't sure if she should remain married to Peter but she's built a life with him. For his part, Peter is pleased to have time alone--he's tired of the lost dog drama, of Alice's coolness, of New York. A psychiatrist, he ponders his patients and one, particularly attractive, woman in particular. As the summer unfolds, tensions rise as Alice and Peter struggle with infidelity, loneliness, and loss. Escaping the heat of New York City to visit wealthy friends in the Hamptons, on Cape Cod, and in the Berkshires, each continues to play his or her part in the life they've chosen together. By the time Labor Day rolls around, a summer that began with isolation has transformed into something else entirely. Matching keen

---

observations on human behavior with wry prose, *Private Means*, with its sexy, page-turning plot, will draw fans of Nora Ephron and Meg Wolitzer. At once dark, funny, sad, and suspenseful, LeFavour's debut is a rare find: a tart literary indulgence with depth and intelligence.

The Invention of Exile Courier Corporation

The English-language debut of a major Latin American writer.

**The Polish Boxer** Atlantic Books Ltd

A dazzling and devastating memoir exploring breakdown and obsessive love, in a voice unlike any other

*In Bohemia* Grove/Atlantic, Inc.

A New York Times Notable Book: The award-winning debut novel of race and family that "casts a new light on urban life in Brooklyn" (Time Out New York). "Like the characters of Ralph Ellison, James Baldwin and Lorraine Hansberry . . . [our] unnamed narrator is a black man concerned with identity in a decidedly white America". He's a father of three in a biracial marriage trying to claim a piece of the American Dream (TheWashington Post). On the eve of his thirty-fifth birthday, he finds himself broke, estranged from his wife and kids, and living in a friend's spare bedroom in Brooklyn. He has four days to come up with the money to keep his family afloat, and four days to make sense of his past and his future in a country where he feels preprogrammed to fail. But he has a powerful urge to escape that sentence. "Man Gone Down charts a four-day, Homeric trek through what makes America and New York a social and racial nightmare as well as a dream that incredibly can still come true." —Robert Sullivan, New York Times—bestselling author of *Rats* "Powerful and moving . . . recount[ing] the events of four desperate days in New York, [Man Gone Down] extends far beyond these boundaries of time and space." —The New York Times Book Review "[A] jazzy, sinewy debut . . . Thomas's urgent, quicksilver prose makes even the darkest moments of this novel shine." —O, The Oprah Magazine
