SB800 provides that if the Builder intends to hold a subcontractor, design professional, or material supplier, including an insurance carrier, warranty company, or service company, responsible for its contribution for any construction defects, the builder shall provide notice to that person or entity sufficiently in advance to allow them to inspect the alleged defects and to participate in the repair process.

**Autofocus Speedlight SB-800**

SB 800 is a California law that addresses residential construction defect litigation on new construction and establishes warranties.

The law applies to condominium or single family residential construction that has been signed by the seller on or after January 1, 2003. It does not, however, apply to condominium conversions.

SB 800—A Subcontractor's Guide Section 1: An Opportunity for Increased Partnership The proponents of SB 800 look upon this bill as an opportunity, not a panacea. Unless full advantage of the bill is taken, SB 800 may do little to reduce the number of lawsuits filed, and may not improve the relationships between subcontractors and builders.
