“ Scaling Up Excellence offers a strong antidote to the common pap--the delusions, impatience and incompetence-- that too often frustrate reforms

and keep many good ideas from achieving their goals. Through engaging accounts of both organizational successes and colossal failures, Sutton and Rao offer practical wisdom for scaling improvements in complex institutions.

Getting to More Without Settling ...

SCALING UP

EXCELLENCE is the first major business book about scaling and is co-authored by two Stanford professors:

Robert I. Sutton and Huggy Rao. For every leader, team or organization, the “ problem of more ” is universal: how do you spread pockets of excellence from those who have them to those who need them?

[Scaling Up Excellence: Getting to More Without Settling ...](#)

Scaling is one of the toughest

challenges that senior leaders face. Executives can always point to places where a company is doing a great job. What drives them, keeps them up at night, and devours their workdays is the difficulty of spreading excellence to more people and more places. This “problem of more” is tough to crack.
