PDF--to most of the world it stands for that rather tiresome format used for documents downloaded from the web. Slow to load and slower to print, hopelessly unsearchable, and all but impossible to cut and paste from, the Portable Document Format doesn't inspire much affection in the average user. But PDFs done right is another story. Those who know the ins and outs of this format know that it can be much more than electronic paper. Flexible, compact, interactive, and even searchable, PDF is the ideal way to present content across multiple platforms. PDF Hacks unveils the true promise of Portable Document Format, going way beyond the usual PDF as paged output mechanism. PDF expert Sid Steward draws from his years of analyzing, extending, authoring, and embellishing PDF documents to present 100 clever hacks--tools, tips, quick-and-dirty or not-so-obvious solutions to common problems. PDF Hacks will show you how to create PDF documents that are far more powerful than simple representations of paper pages. The hacks in the book cover the full range of PDF functionality, from the simple to the more complex, including generating, manipulating, annotating, and consuming PDF information. You'll learn how to manage content in PDF, navigate it, and reuse it as necessary.

Far more than another guide to Adobe Acrobat, the book covers a variety of readily available tools for generating, deploying, and editing PDF. The little-known tips and tricks in this book are ideal for anyone who works with PDF on a regular basis, including web developers, pre-press users, forms creators, and those who generate PDF for distribution. Whether you want to fine-tune and debug your existing PDF documents or explore the full potential the format offers, PDF Hacks will turn you into a PDF power user.

Clearing the way to close can be a defining process for many professionals in the real estate industry. This process can easily separate the professional from the amateur or part time agent. Professional Real Estate Agents and Real Estate Brokers face a tough challenge every day. Negotiating an offer written on behalf of a buyer; Professional Realtors stand out from the general public as experts in their field. Whether it's a matter of disclosure requirements, ethics or simply due diligence on behalf of a transaction, it's important to seek the advice and representation of a true full time professionally licensed Realtor in every real estate transaction regardless of what side you may be on. "Finding New Neighbors" takes the reader into the trenches of buying real estate. If the buyer is looking to purchase a residential home, vacant land or a commercial investment property, this book will cover many of the specialized elements that they will encounter along the way. No single publication makes up an entire library of information. As this book reflects the buyers side of real estate, my next book "Echoes in the Hall" will represent the seller's side of the industry. In my last book; "Guide to New Custom Home Ownership", the reader learned about the process of new construction. Additional

publications will be added along the way. "It is my intent to supply the reader an easy to understand publication that they can use as they proceed in searching for their new home or additional property for their family, future and investments." This book is designed with sections dedicated to writing notes and outlines so the reader can share their thoughts and ideas with their chosen agent or lender.
