The Upper Level ISEE can be a very challenging test. Extra practice can make all the difference between a good score and a great score. That's why this book has more questions than even 10 full-length exams - well over 1,500 practice questions dedicated only to the Upper Level ISEE. You won't find any material in this book related to another test - there's no filler here! In this book you will find: * A bonus diagnostic test, to help

you pinpoint the areas in most need of improvement. * Critical skills and concepts broken out by topic, so you can zero-in on key areas. * Questions that progress in difficulty, to help you expand your knowledge base and prepare for tough questions. * Helpful hints and suggestions, to help you make sense of the material. * A bonus practice test, to help familiarize yourself with the real thing. This book can be used for independent practice or for study with a professional educator. For best results, we recommend using this book with a tutor or teacher who can help you learn more about new or particularly challenging topics.

Though there is an answer key for all questions, this edition does not have detailed answer explanations included.
