Arguably Nathaniel Hawthorne's most famous novel, *The Scarlet Letter* probes the very root of the age-old question, "What is good?" Can there be redemption in a society where the only good is the avoidance of sin? Through the characters of the beautiful and independent Hester Prynne, the pious yet guilt-ridden Reverend Arthur Dimmesdale, and the vengeance-obsessed Roger Chillingworth, Hawthorne explores the range of human response to sin and the deadly consequences of the inability to forgive oneself and others. In *The Scarlet Letter*, Hawthorne peers into the shadows of the soul to reveal the doubt, fear, and guilt that, try as we might to deny them, form the foundations of our existence.

"*The Scarlet Letter* has proved our most enduring classic," writes Sacvan Bercovitch, "because it is the liberal example par excellence of art as ideological mimesis. To understand the office of the A is to see how culture empowers symbolic form, including forms of dissent, and how symbols participate in the dynamics of culture, including the dynamics of constraint." With an approach that both reflects and contests developments in literary studies, Bercovitch explores these connections from two perspectives: first, he examines a historical reading of the novel's unities; and then, a rhetorical analysis of key mid-nineteenth-century issues, at home and abroad. In order to highlight the relation between rhetoric and history, he focuses on the point at which the scarlet letter does its office at last, the moment when Hester decides to come home to America. In *The Office of "The Scarlet Letter,"* Bercovitch argues that the process by which the United States usurped "America" for itself, symbolically, is also the process by which liberalism established political and economic dominance. In the course of his study, he offers sustained discussions of Hawthorne's irony and ambiguity, of aesthetic and social strategies of cohesion, and of the conundrums of liberal dissent. Winner of the Modern Language Association's James Russell Lowe prize, *The Office of "The Scarlet Letter"* provides a theoretical redefinition of the function of symbolism in culture and an exemplary literary-ideological reading of a major text.

The extraordinary, groundbreaking novel from Laurie R. King, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say."

From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really

happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.
