The Scarlet Letter Summary—Chapter 9: The
Leech By renaming himself upon his arrival in
Boston, Chillingworth has hidden his past
from everyone except Hester, whom he has
sworn to secrecy. He incorporates himself
into society in the role of a doctor, and since
the townsfolk have very little access to good
medical care, he is welcomed and valued.

Explain the ambiguity of the chapter's title, "The
Leech." Leech is a bad term for someone - there are
two prominent characters in this chapter so we don't
know who the leech is referring to. The passage sets
up an interesting contrast between two types of men.
