Laurence King have brought out a great game called Scary Bingo. It's really fun bingo game for kids and the monsters are more cute than scary. I love that each monster as a name, from Spiny Joe to Bob, Bones to Gertrude. Each player has a board with 25 different monsters on (the boards are double-sided too!).

My kids and I LOVE this "Scary Bingo" game!! Great family game, helps younger ones with memory (learning the various monsters' names). And my favorite part is that it's not a very competitive game, in the sense that you're reliant on the cards being called, no real skill needed; this is helpful to kids who are easily frustrated when they lose in other games.
