The Silk Weaver Gollancz

Anna Butterfield moves from her Suffolk country home to her uncle's house in London, to be introduced to society. A chance encounter with a local silk weaver, French immigrant Henri, throws her from her privileged upbringing to the darker, dangerous world of London's silk trade. Henri is working on his 'master piece' to make his name as a master silk weaver; Anna meanwhile is struggling against the constraints of her family and longing to become an artist. Henri realizes that Anna's designs could lift his work above the ordinary, and give them both an opportunity for freedom . . . This is a charming story of illicit romance, set against the world of the burgeoning silk trade in 18th century Spitalfields - a time of religious persecution, mass migration, racial tension and wage riots, and ideas of what was considered 'proper' for women.

The Black Key Harper Collins

A new and enticing voice in fiction draws readers through the streets of Paris and New York on an intricate adventure. It's twisting, contemplative, playful and darkly entertaining. What writer Benjamin Constable needs is a real-life adventure wilder than his rampant imagination. And who better to shake up his comfortable Englishman-in-Paris routine than the enigmatic Tomomi "Butterfly" Ishikawa, who has just sent a cryptic suicide note? She's planted a slew of clues—in the pages of her journal, on the hard drive of her computer, tucked away in public places, under flowerpots, and behind statues. Heartbroken,

confused, and accompanied by an imaginary cat, Ben embarks upon a scavenger hunt leading to charming and unexpected spaces, from the hidden alleys of Paris to the cobblestone streets of New York City. But Butterfly's posthumous messages are surprisingly well informed for the words of a dead person, and they're full of confessions of a past darkened by insanity, betrayal, and murder. The treasures Ben is unearthing are installments of a gruesome memoir. Now he must draw a clear line between the real and surreal if he is to save himself, Butterfly, and what remains of their crazy and amazing friendship.

The Highly Sensitive Person in Love Harper Collins

The award-winning YA author weaves "an unsettling tapestry of ugly secrets, violence, suspense, twisted motives and love's unfathomable ways" (Kirkus). Anna and Abel couldn't be more different. They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel, the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. Anna follows the two, listening as Abel tells little Micha the story of a tiny queen assailed by dark forces. It's a beautiful fairy tale that lets Anna see Abel's reality. Unable to make ends meet, he's in danger of losing Micha to their abusive father. Anna gradually falls in love with Abel, but when his "enemies" begin to turn up dead, she fears she has fallen for a murderer. Antonia Michaelis, the Batchelder Honor Award-winning author of Tiger Moon, moves in a bold new direction with her latest novel: a dark, haunting, contemporary story that is part mystery, part melodrama, and part dark romance.
