How do we ensure that all students are engaged each day in meaningful, challenging, and joyful work and have equal opportunity to learn? That is the central question Regie Routman addresses in *Literacy Essentials Engagement, Excellence, and Equity for All Learners*. Her response is that such an outcome is only possible within a culture of empowerment in which all students and teachers feel encouraged and supported to let their voices be heard, explore their passions and interests, develop deep knowledge, and become their fullest and truest selves. Based on her ongoing teaching, leading, and coaching in diverse schools and districts, Regie offers K-12 teachers and leaders practical, easy-to-implement tools to help students develop as self-determining readers, writers, and learners including: - Take Action sections with specific suggestions for authentically teaching, assessing, and learning - Extensive research that is easily accessible and actionable - Personal stories that connect to literacy teaching and learning - Rich online resources including a comprehensive lesson plan, an easy-to-use study guide, downloadable Appendices, and more. *Literacy Essentials* shows what's possible when teachers and schools raise

expectations for all students and create an intellectual culture based on trust, collaborative expertise, and celebration of learners' strengths.

This wildly funny twist on the "How I spent my summer vacation" school-essay ritual details one child's imaginary adventures over the summer and is perfect for back-to-school reading! Most kids go to camp over the summer, or to Grandma's house, or maybe they're stuck at home. Not Wallace Bleff. He was supposed to visit his Aunt Fern. Instead, Wallace insists, he was carried off by cowboys and taught the ways of the West--from riding buckin' broncos to roping cattle. Lucky for Aunt Fern, he showed up at her house just in time to divert a stampede from her barbecue party! Perfect for back-to-school read-alouds, here's a western fantasy with sparkling illustrations and enough action to knock kids' boots off!

This heartwarming book encourages positive behavior by using the concept of an invisible bucket to show children how easy and rewarding it is to express kindness, appreciation and love by "filling buckets." Updated and revised, this 10th anniversary edition will help readers better understand that "bucket dipping" is a negative behavior, not a permanent label. It also explains that it's possible to fill or dip into our own buckets.
