Lightning Thief, The (Percy Jackson and the Olympians, Book 1)
Simon and Schuster
The untold story of the root cause of America's education crisis--and the seemingly endless cycle of multigenerational

poverty. It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education. The problem wasn't one of the usual scapegoats: lazy teachers, shoddy facilities, lack of accountability. It was something no one was talking about: the elementary school curriculum's intense focus on decontextualized reading comprehension "skills" at the expense of actual knowledge. In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher Wars*, Wexler brings together history, research, and compelling characters to pull back the curtain on this fundamental flaw in our education system--one that fellow reformers, journalists, and policymakers have long overlooked, and of which the general public, including many parents, remains unaware. But *The Knowledge Gap* isn't just a story of what schools have gotten so wrong--it also follows innovative educators who are in the process of shedding their deeply ingrained habits, and describes the rewards that have come along: students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed. If we truly want to fix

our education system
and unlock the
potential of our
neediest children, we
have no choice but to
pay attention.

Celebrate the
thirtieth anniversary
of the Newbery
Honor-winning
survival novel
Hatchet with a pocket-
sized edition perfect

for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new

patience and maturity, and a greater understanding of himself and his parents.

Abrams

An engagingly illustrated account of immigrant Clara Lemlich's pivotal role in the influential 1909 women laborer's strike describes how she worked grueling hours to acquire an education and support her family before organizing a massive walkout to protest the unfair working conditions in New York's garment district. 25,000 first printing.

Going to School Simon

and Schuster
2020 is the 100th anniversary of the 19th Amendment! An essential election read and early introduction to the concepts of organizing, protests, and demonstration. A story of hope and determination, Marching with Aunt Susan reminds readers that society cannot evolve unless people—even young people—dare to take a stand. Perfect for girl-power readers! “Inspiring and

revelatory.” Kirkus Reviews All Bessie wants is to go hiking with her father and brothers. But it’s 1896, and girls don’t get to hike. They can’t vote either, which Bessie discovers when Susan B. Anthony comes to town to help lead the campaign for women’s suffrage. Stirred to action, Bessie joins the movement and discovers that small efforts can result in small changes—and maybe even big ones. Inspired by the diary of the real-

life Bessie Keith Pond, a ten-year-old girl who lived in California during the suffrage campaign, author Claire Rudolf Murphy and illustrator Stacey Schuett offer a thought-provoking introduction to the fight for women’s rights. The New York Times-
bestselling story of

kindness, friendship,
and hope. Trees can't
tell jokes, but they
can certainly tell
stories. . . . Red is
an oak tree who is many
rings old. Red is the
neighborhood
"wishtree"—people write
their wishes on pieces
of cloth and tie them
to Red's branches.
Along with a crow named
Bongo and other animals
who seek refuge in
Red's hollows, this
wishtree watches over
the neighborhood. You
might say Red has seen
it all. Until a new
family moves in. Not

everyone is welcoming, and Red's experience as a wishtree is more important than ever. Funny, deep, warm, and nuanced, this is Katherine Applegate at her very best—writing from the heart, and from a completely unexpected point of view. This book has Common Core connections.

Anthony and the Fight for Women's Suffrage Simon & Schuster
The true story of how a 1963 ride on a carousel in Maryland made a powerful Civil

Rights statement. A Ride to Remember tells how a community came together—both black and white—to make a change. When Sharon Langley was born in the early 1960s, many amusement parks were segregated, and African-American families were not allowed entry. This book reveals how in the summer of 1963, due to demonstrations and public protests, the Gwynn Oak

Amusement Park in Maryland became desegregated and opened to all for the first time. Co-author Sharon Langley was the first African-American child to ride the carousel. This was on the same day of Martin Luther King Jr.'s March on Washington for Jobs and Freedom. Langley's ride to remember demonstrated the possibilities of King's dream. This book includes photos

of Sharon on the carousel, authors' notes, a timeline, and a bibliography. "Delivers a beautiful and tender message about equality from the very first page." –Kirkus Reviews, Starred Review "Cooper's richly textured illustrations evoke sepia photographs' dreamlike combination of distance and immediacy, complementing the aura of reminiscence that permeates Langley and Nathan's narrative." –Publishers Weekly, Starred Review "A solid addition to U.S. history collections for its subject matter and its first-person historical narrative." –School Library Journal
