The Caribbean Language Arts Project has been devised, piloted and thoroughly tested in primary schools by the Curriculum and Materials

Development Unit of the St Lucia Ministry of Education. The course takes the child through the three distinct, but interrelated, elements of language learning: oral communication (listening and speaking), reading and writing. The main content in all the books is drawn from the everyday lives of the children with great use made of people, objects and scenes in the immediate environment.

Phonics-Powered Prevention and Intervention for All Students

Random House Digital, Inc. The untold story of the root cause of America's education crisis--and the seemingly endless cycle of multigenerational poverty. It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education. The problem wasn't one of the usual scapegoats: lazy teachers, shoddy facilities, lack of accountability. It was something no one was talking about: the elementary school curriculum's intense focus on decontextualized reading comprehension "skills" at the expense of actual knowledge. In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher*

Wars, Wexler brings together history, research, and compelling characters to pull back the curtain on this fundamental flaw in our education system--one that fellow reformers, journalists, and policymakers have long overlooked, and of which the general public, including many parents, remains unaware. But *The Knowledge Gap* isn't just a story of what schools have gotten so wrong--it also follows innovative educators who are in the process of shedding their deeply ingrained habits, and describes the rewards that have come along: students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed. If we truly want to fix our education system and unlock the potential of our neediest children, we have no choice but to pay attention.

This National Book Award

finalist by Pulitzer Prize-winning novelist Louise Erdrich is the first installment in an essential nine-book series chronicling 100 years in the life of one Ojibwe family, and includes beautiful interior black-and-white artwork done by the author. She was named Omakayas, or Little Frog, because her first step was a hop. Omakayas and her family live on an island in Lake Superior. Though there are growing numbers of white people encroaching on their land, life continues much as it always has. But the satisfying rhythms of their life are shattered when a visitor comes to their lodge one winter night, bringing with him an invisible enemy that will change things forever—but that will eventually lead Omakayas to discover her calling. By turns moving and humorous, this novel is a breathtaking tour de force by a gifted writer. The beloved and essential Birchbark House series by Louise Erdrich includes *The Birchbark House*, *The Game of Silence*, *The Porcupine Year*, *Chickadee*, and *Makoons*. *The Knowledge Gap*

The New York Times- bestselling story of kindness, friendship, and hope. Trees can't tell jokes, but they can certainly tell stories. . . . Red is an oak tree who is many rings old. Red is the neighborhood "wishtree"—people write their wishes on pieces of cloth and tie them to Red's branches. Along with a crow named Bongo and other animals who seek refuge in Red's hollows, this wishtree watches over the neighborhood. You might say Red has seen it all. Until a new family moves in. Not everyone is welcoming, and Red's experience as a wishtree is more important than ever. Funny, deep, warm, and nuanced, this is Katherine Applegate at her very best—writing from the heart, and from a completely unexpected point of view. This book has Common Core connections.

2020 is the 100th anniversary of the 19th Amendment! An essential election read and early introduction to the concepts of organizing, protests, and demonstration. A story of hope and determination, *Marching with Aunt Susan* reminds readers that society cannot evolve unless people—even young people—dare to take a stand. Perfect for girl-power readers! "Inspiring and revelatory." —Kirkus Reviews
All Bessie wants is to go hiking with her father and brothers. But it's 1896, and girls don't get to hike. They can't vote either, which Bessie discovers when Susan B. Anthony comes to town to help lead the campaign for women's suffrage. Stirred to action, Bessie joins the movement and discovers that small efforts can result in small changes—and maybe even big ones. Inspired by the diary of the real-life Bessie Keith Pond, a ten-year-old girl who lived in California during the suffrage campaign, author Claire Rudolf Murphy and

illustrator Stacey Schuett offer a thought-provoking introduction to the fight for women's rights. Anatomy of a Volcanic

Eruption Jacqueline Woodson's National Book Award and Newbery Honor winner, now available in paperback with 7 all-new poems. Jacqueline Woodson is the 2018-2019 National Ambassador for Young People's Literature A President Obama "O" Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 new poems, including "Brown Girl Dreaming". Praise for Jacqueline Woodson: A 2016 National Book Award finalist for her adult novel, ANOTHER BROOKLYN "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-

discovery."--The New York Times Book Review **Reading and Writing Every Day** Perfection Learning Children from around the world explain the different things they do during their first day of school, in a colorful tale with fact boxes, easy-to-read text, and bright illustrations. *The hidden cause of America's broken education system--and how to fix it* Simon and Schuster Inquiry-based general science curriculum for the third grade featuring a text/workbook that students can write in.
