A charmingly offbeat potty-training book. Simple rhymes offer gentle reminders to Little Star about where not to tinkle: not in the car, not on a train, not on a plane. Not in a sandbox, not on a slide — and certainly not on Grandpa's knee! Then, of course, the golden rule: never tinkle in the pool! While trying so hard not to have an accident, Little Star's distress is mounting. Until, finally, relief arrives: the potty. "Good for you! You've come so far ... Now tinkle, tinkle, Little Star." *The Land of Stories: Beyond the Kingdoms* HarperCollins  
Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times  
In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the

disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

A lyrical picture book memoir of one boy and his beloved grandmother, from award-winning author Lester L. Laminack. Every Saturday, a young boy rides his bicycle up and down country roads, past farms and a filling station, until he reaches his Mammaw's house. She is waiting for him. There, the young boy helps her. She picks tomatoes and he pushes the lawnmower through the dew-wet grass. But the best part of the day is helping his Mammaw make teacakes from scratch and eating the hot, sweet cakes fresh from the oven. Lester L. Laminack's richly detailed prose perfectly portrays the special relationship of a young boy and his grandmother. Award-winning illustrator Chris Soentpiet's remarkably detailed watercolor images beautifully capture the setting.
